5-Series backpack delivery bag with integrated frame, heat pad and 120-volt power cord

Transporting food deliveries via bike, scooter or on foot just got easier. The 5-Series backpack delivery bag by Vollrath features high-performance insulation and a high-quality, moisture-resistant outer shell that protects the food items from the elements and maintains ideal serving temperatures. The included heat pad allows you to preheat your bag, keep food warmer and extend your delivery radius. Nylon zipped PVC window pockets are perfect for storing order slips, menus, brochures, delivery instructions, custom branding and more. A

strong, integrated frame offers additional stability, and reflective piping ensures safer nighttime delivery. Heavy-duty double carry straps and adjustable backpack straps allow for a comfortable and secure user experience, and reinforced stitching prevents tears and rips. This delivery bag, which features a unique combination of quality materials, thoughtful design elements and high-performance insulation, promises superior comfort, convenience and customer satisfaction.

- Comfortable backpack delivery bag with impressive insulation for convenient, quality food delivery
- High-performance insulation maintains food temperature and quality
- Heat pad allows you to preheat your bag, keep food warmer and extend your delivery radius
- Durable, high-quality, moisture-resistant outer shell protects food from the elements
- Nylon zipped PVC window pockets are perfect for storing order slips, menus, brochures, delivery instructions, custom branding and more
- Metal steam exhaust vent releases moisture without releasing heat
- Integrated frame adds stability
- Reflective piping for safer nighttime delivery
- Heavy-duty double carry straps and adjustable backpack straps ensure a comfortable user experience
- Reinforced stitching prevents tears and rips
- Customization available
- 120-volt power cord for heat pad included
- Optional 12-volt power cord allows you to recharge your heat pad in a vehicle

Backpack Bag with Integrated Frame, Power Pack and Heat Pad with 120VAC and 12V Car Chargers, 5 Series

Vollrath backpack bags are constructed of high-performance insulation to maintain the temperature and quality of food on the go. The backpack-style straps make delivery comfortable and easy.

Includes a portable power pack with heat pad, a 120 VAC and a 12V car charger to better maintain food quality and extend delivery range

Power pack provides five heat settings for added flexibility and food quality control

Removable wire frame insert for organization and stability

Super durable, high-quality moisture-resistant outer shell material shelters food elements and help maintain temperature

High-performance insulation to maintain the temperature and quality of food on the go

Bags feature nylon, zipped PVC window pockets for housing order slips, menus, brochures, change or delivery instructions or for custom advertising and branding

Metal steam exhaust vent releases moisture without releasing heat

Strong, heavy-duty double carry straps

Reinforced stitching to prevent tears and rips

Adjustable backpack straps make delivery comfortable and easy

Integrated frame for added stability

Includes a portable power pack with heat pad, a 120 VAC and a 12v car charger to better maintain food quality and extend delivery range

Power pack provides five heat settings for added flexibility and food quality control

Removable wire frame insert for organization and stability
