Full-size 36-compartment Traex® glass and cup extender in beige

Add valuable height to your Traex glass rack and make room for taller glasses or cups with this extender by Vollrath. With 36 compartments, there's plenty of room for all your tall glassware. The open profile allows top-to-bottom and side-to-side washing.

- Open profile allows thorough washing and superior air circulation
- Built-in dividers ensure vertical protection
- Copolymer construction is chemical-, impact- and heat-resistant up to 180°F for 30 minutes
- Attaches to your full-size Traex glass rack easily

Full-size open-end Traex® sheet pan rack in beige

The Traex sheet pan rack offers a convenient, reliable solution to sheet pan cleaning. This rack fits three sheet pans and features a vinyl-coated insert that holds them at the right angle for cleaning. The rack is made of copolymer plastic to ensure chem

- Open profile allows thorough washing and superior air circulation
- Copolymer construction is chemical-, impact- and heat-resistant up to 180°F for 30 minutes
- Vinyl-coated insert holds sheet pans at ideal angle for cleaning
- Handles ensure easy gripping a

Full-size medium 16-compartment Signature cup rack in light green with one light green extender

Use this Signature cup rack by Vollrath for cleaner-than-ever cups and glassware. The molded compartments provide vertical protection, preventing chipping and breakage, and the extender creates even more height for additional security. The molded tilt bar

- 16 molded compartments maximize space and fit most standard-size cups
- Open profile promotes thorough washing, complete rinsing, rapid drying and quick cooling
- Copolymer plastic construction is chemical-, impact- and heat-resistant up to 180°F for 30 min

Full-size medium 20-compartment Signature cup rack in light green with one light green extender

Use this Signature cup rack by Vollrath for cleaner-than-ever cups and glassware. The molded compartments provide vertical protection, preventing chipping and breakage, and the extender creates even more height for additional security. The molded tilt bar

- 20 molded compartments maximize space and fit most standard-size cups
- Open profile promotes thorough washing, complete rinsing, rapid drying and quick cooling
- Copolymer plastic construction is chemical-, impact- and heat-resistant up to 180°F for 30 min
