Full-size Traex® Plate Crate™ warewashing system for 9- to 10 ⅜-inch plates up to 1 ¾ inches thick with five extenders in royal blue

The Traex Plate Crate warewashing system is the perfect crate for washing, storing and transporting your china. The interior features a wire grid that holds items at the ideal angle for cleaning, maximizes capacity and speeds drying time.

- Open profile allows thorough washing and air circulation for superior cleaning and drying
- Powder-painted wire grid prevents corrosion and cushions plates to prevent chipping and breakage
- Copolymer plastic construction is chemical-, impact- and heat-resistant.

Full-size Traex® Plate Crate™ warewashing system for 10- to 10 ¾-inch plates up to 1 inch thick with five extenders in beige

The Traex Plate Crate warewashing system is the perfect crate for washing, storing and transporting your china. The interior features a wire grid that holds items at the ideal angle for cleaning, maximizes capacity and speeds drying time.

- Open profile allows thorough washing and air circulation for superior cleaning and drying
- Powder-painted wire grid prevents corrosion and cushions plates to prevent chipping and breakage
- Copolymer plastic construction is chemical-, impact- and heat-resistant.
