Refrigerated beverage dispenser with three 2.11-gallon bowls and agitator circulation

Serve up something cold, crisp and satisfying with the Vollrath® refrigerated beverage dispenser. The clear polycarbonate bowls keep your product on display, allowing it to catch your customer's eye. Each bowl has its own thermostat that easily holds your pre-mixed cold beverage at a perfect serving temperature, while the agitator circulates the product to ensure exceptional consistency and quality. With a stainless steel drip-free spigot and a plastic drip tray to contain liquid in the case of accidental spills, your counters will always

stay clean. The durable stainless steel cabinet and polycarbonate food-grade bowls promise years of reliable service, and the easily-removed bowls and dispensing handles allow for quick clean up.

Designed to refrigerate and serve pre-mixed cold beverages

Agitator bowl circulation is suitable for most beverages and recommended for beverages that can foam, such as coffee, tea and natural fruit juices

Clear bowl design keeps product visible, allowing customers to easily see and select their beverage of choice

Each bowl has a thermostat that holds beverages at a consistent temperature and quality

Magnetic-drive agitator bowl circulation ensures product consistency

Polycarbonate 2.11-gallon food-grade bowls and stainless steel cabinet are durable and reliable

Gravity-fed spigot quickly dispenses beverage without mechanical or electrical assistance

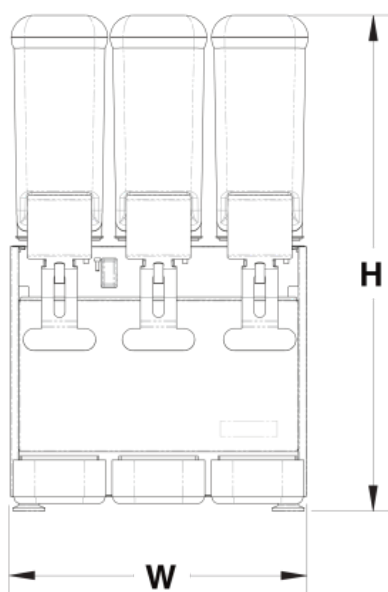

Stainless steel dispensing spigot features drip-free design

Plastic drip tray prevents messes and keeps countertops clean

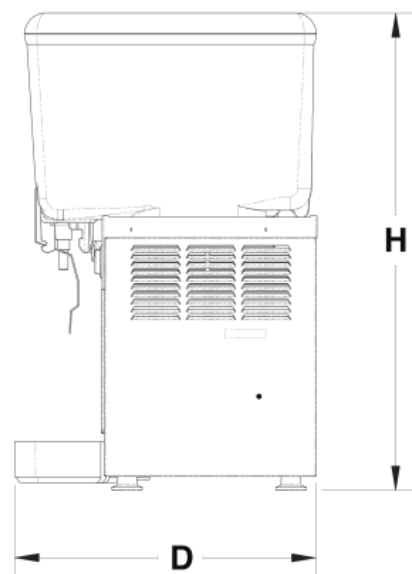

Simple paddle switches ensure easy operation

Easily-removable bowls and dispensing handle allow for quick cleaning

Refrigerated beverage dispenser with three 3.17-gallon bowls and fountain spray circulation

Expand your menu offerings and add an engaging, attention-getting option to your drink area with the Vollrath® refrigerated beverage dispenser. The clear polycarbonate bowls keep your product visible, allowing it to catch your customer's eye. Each bowl has its own thermostat that easily holds your pre-mixed cold beverage at a perfect serving temperature, while the fountain spray circulator ensures exceptional consistency and quality. With a stainless steel drip-free spigot and a plastic drip tray to contain liquid in the case of

accidental spills, your counters will always stay clean. The durable stainless steel cabinet and polycarbonate food-grade bowls promise years of reliable service, and the easily-removed bowls and dispensing handles allow for quick clean up.

Designed to refrigerate and serve pre-mixed cold beverages

Fountain spray bowl circulation is suitable for many beverages, but is not recommended for beverages that can foam, such as coffee, tea and natural fruit juices

Clear bowl design keeps product visible, allowing customers to easily see and select their beverage of choice

Bowl thermostat holds beverages at a consistent temperature and quality

Magnetic-drive fountain spray bowl circulation ensures product consistency

Polycarbonate 3.17-gallon food-grade bowl and stainless steel cabinet are durable and reliable

Gravity-fed spigot quickly dispenses beverage without mechanical or electrical assistance

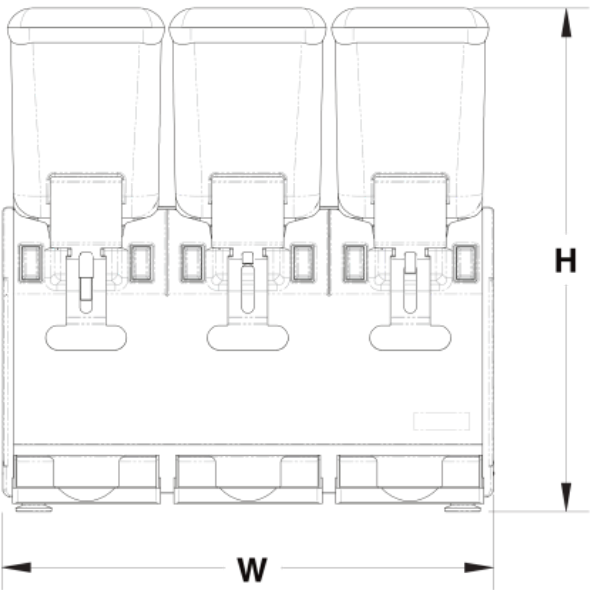

Stainless steel dispensing spigot features drip-free design

Plastic drip tray prevents messes and keeps countertops clean

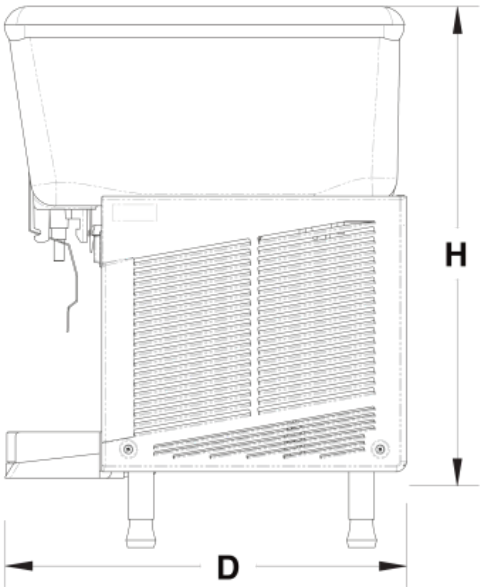

Simple paddle switches ensure easy operation

Easily-removable bowl and dispensing handle allow for quick cleaning
