Hands-Free Foot Door Opener

Door handles are among the most germ-infested objects in restaurants, healthcare facilities, schools, and nursing homes. That's why Vollrath's hands-free foot door opener is an ideal choice for ensuring clean and hygienic doorways. It is easy to assemble at the bottom of traffic doors, double acting doors, cooler doors, swinging doors or latching doors with the latch disengaged. The foot plate is constructed of stainless steel, which ensures years of durable performance. Its surface is covered with yellow grip tape for an extra secure hold.

Hands-free and foot-operated door opener for clean and hygienic doorways

Easy to assemble on traffic doors, double acting doors, cooler doors, swinging doors or latching doors with the latch disengaged

No-hands operation helps reduce the spread of germs and contaminants, while making operation easier when hands are full

Yellow grip tape on surface provides an extra secure hold

Stainless steel construction ensures years of durable performance

Instructional label included
