Third-size 1 ½-inch-deep Super Pan 3[®] perforated stainless steel steam table pan

Steam foods or let fats, juices and moisture drain away with the Super Pan 3 perforated steam table pan. Tapered corners resist dents and dings, offering reliable strength and easy pouring. The 5/32-inch perforations ensure quick-and-easy draining to help maintain food quality and prevent sogginess or oversaturation, while antijam stacking lugs allow easy separation and lifting of the pan.

22-gauge 300-Series stainless steel is durable and long-lasting

5/32-inch perforations are ideal for steaming foods or allowing fats, juices and moisture to drain away

Tapered corners resist dents and dings, for improved strength and easy pouring

Made in the USA

NSF-certified

Fits 2 ½-quart inset (Vollrath item number 78154)

Made in the USA

NSF-certified

Full-size 1 ½-inch-deep Super Pan 3[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan 3 steam table pan enhances both hot- and cold-food presentations. This durable pan is made of strong stainless steel that resists dents and dings. The reinforced spout-shaped corners make it easy to pour and scoop out food, while the flat edges and higher rims prevent steam loss for increased efficiency. The Steel Coat x3 nonstick coating

uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Reinforced corners offer additional strength

Flat edges and higher rims prevent steam loss for increased efficiency

Antijamming design allows easy separation and lifting of the pan

Dramatic black interior enhances cold- and hot-food presentations

Temperature range of -20°F to 450°F

Not for use with metal utensils

Dishwasher-safe for easy cleaning

Made in the USA

NSF-certified

Two-thirds-size 6-inch-deep Super Pan V[®] perforated stainless steel steam table pan

The Super Pan V perforated steam table pan by Vollrath is ideal for steaming foods or draining fats, juices or moisture. Resistant to dents and dings, this pan has rounded, diagonally tapered corners that are up to 300 percent stronger than traditional corners, and the design makes it easy to pour and scoop out food. The pan also features flat edges with higher rims to prevent loss of steam for increased efficiency. Antijam stacking lugs enable easy separation and lifting of the pan.

Heavy-duty 22-gauge 300-Series stainless steel is durable and long-lasting

Rounded corners are up to 300 percent stronger than traditional corners

Flat edges with higher rims prevent loss of steam for improved efficiency

¼-inch holes on bottom and sides drain quickly

Covered by lifetime limited warranty — see warranty page for details

3-quart stainless steel inset

The stainless steel inset by Vollrath features a wide, short design that ensures exceptional results. Made of durable stainless steel, this inset offers years of service, while the satin finish creates a sleek appearance and hides signs of wear. The sharp radius between sleeves rests securely in a 6 ½-inch opening without tipping, and nests with other insets for compact storage. A variety of lids are available (sold separately), to accommodate a wide range of needs.

Full-size 1 ½-inch-deep Super Pan® heavy-duty stainless steel transport pan

This stainless steel pan by Vollrath is perfect for transporting and storing food. The strong construction promises years of use, and the reinforced corners add durability. The flattened edges provide a comfortable grip and prevent bending, while the stepped-shoulder design ensures a tight lid fit, helping keep food fresh and preventing messy seepage, making this pan ideal for refrigerator or freezer storage. Designed for stacking, this pan won't move during transport, while antijam stacking lugs allow easy separation and lifting of the pan.

Heavy-duty 20-gauge 300-Series stainless steel is strong and long-lasting

Reinforced corners add durability

Stepped-shoulder design ensures a tight lid fit to maintain food quality and prevent messes

Flattened edges provide a comfortable grip and prevent bending

Stackable design is ideal for storage and transport

Designed for steam tables and microwaves — not for use in ovens, combi-steamers or convection ovens

Made in the USA

NSF-certified

Full-size Super Pan® stainless steel transport pan cover	70005

Full-size 2 ½-inch-deep Super Pan® heavy-duty stainless steel steam table pan

You can't go wrong with the Super Pan steam table pan by Vollrath. Made of heavy-duty stainless steel, this pan resists dents and dings, standing up to constant use with ease. Flat edges keep the pan tight in food wells for top-notch performance, while the rounded, diagonally tapered corners are up to 300 percent stronger compared to traditional corners and allow easy pouring. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

Heavy-duty 20-gauge 300-Series stainless steel is durable and long-lasting

Flat edges keep the pan tight in food wells for superior performance

Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners

Antijamming design allows easy separation and lifting of the pan

Covered by lifetime limited warranty — see warranty page for details

Full-size 6-inch-deep Super Pan® heavy-duty stainless steel transport pan

This stainless steel pan by Vollrath is perfect for transporting and storing food. The strong construction promises years of use, and the reinforced corners add durability. The flattened edges provide a comfortable grip and prevent bending, while the stepped-shoulder design ensures a tight lid fit, helping keep food fresh and preventing messy seepage, making this pan ideal for refrigerator or freezer storage. Designed for stacking, this pan won't move during transport, while antijam stacking lugs allow easy separation and lifting of the pan.

Heavy-duty 20-gauge 300-Series stainless steel is strong and long-lasting

Reinforced corners add durability

Stepped-shoulder design ensures a tight lid fit to maintain food quality and prevent messes

Flattened edges provide a comfortable grip and prevent bending

Stackable design is ideal for storage and transport

Anijam stacking lugs allow easy separation and lifting of the pan

Covered by lifetime limited warranty — see warranty page for details

Full-size Super Pan® stainless steel transport pan cover	70005

Full-size 6-inch-deep Super Pan® stainless steel steam table pan with retractable handles

With this Super Pan steam table pan by Vollrath, transportation is easier than ever. Reliable handles offer a comfortable grip and impressive leverage that's perfect for lifting and transporting. The retractable handle design prevents steam from escaping and makes the handles almost invisible when not in use. Made of strong stainless steel, this pan resists dents and dings, standing up to constant use with ease.

Heavy-duty 20-gauge 300-Series stainless steel is durable and long-lasting

Handles offer a comfortable grip and allow for easy lifting and transporting

Retractable handles sit flush with the pan when not in use to prevent steam from escaping

Made in the USA

Full-size 8-inch-deep Super Pan[®] heavy-duty stainless steel transport pan

This durable 20-gauge 300-Series stainless steel pan is ideal for transporting or storing food. Flattened edges provide an easy grip and prevent bending, and antijam stacking lugs enable easy separation and lifting of the pan. This pan's stepped shoulder design ensures a tight lid fit to keep foods fresher longer and prevent messy seepage.

Heavy-duty 20-gauge 300-Series
stainless

Antijamming design

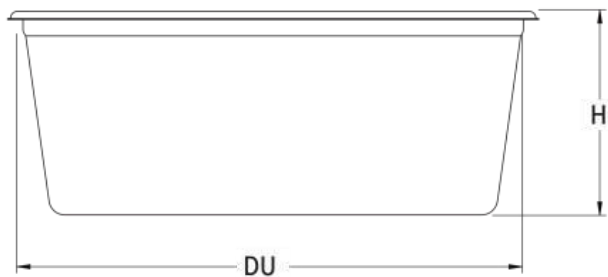

Flat edge resists bending and provides
sturdy grip

Jacob's Pride® lifetime limited warranty

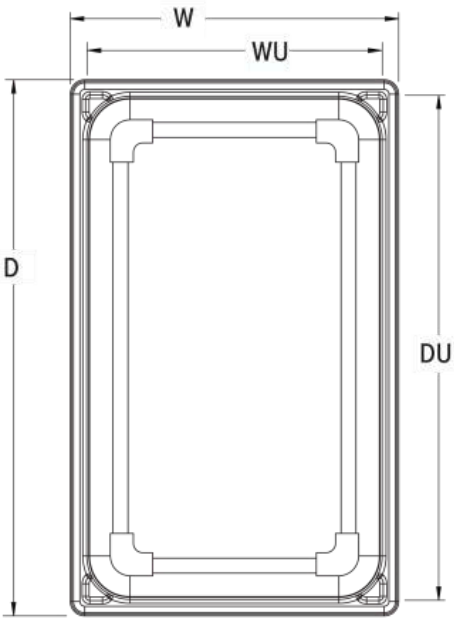

Holds up to 28 quarts (uncovered)

Half-size 2 ½-inch-deep Super Pan V[®] stainless steel steam table pan

This durable 22-gauge 300-Series stainless steel pan features smooth curves and a bright finish for an elegant presentation. Resistant to dents and dings, this pan has rounded, diagonally tapered corners that are up to 300 percent stronger compared to traditional corners, and the design makes it easy to pour and scoop out food. The pan also features flat edges with higher rims to prevent loss of steam for increased efficiency. Antijam stacking lugs enable easy separation and lifting of the pan.

Heavy-duty 22-gauge 300-Series stainless steel

Newly designed pour corners are up to 300 percent stronger

Smooth curves and bright finish for a stunning appearance

Antijamming design

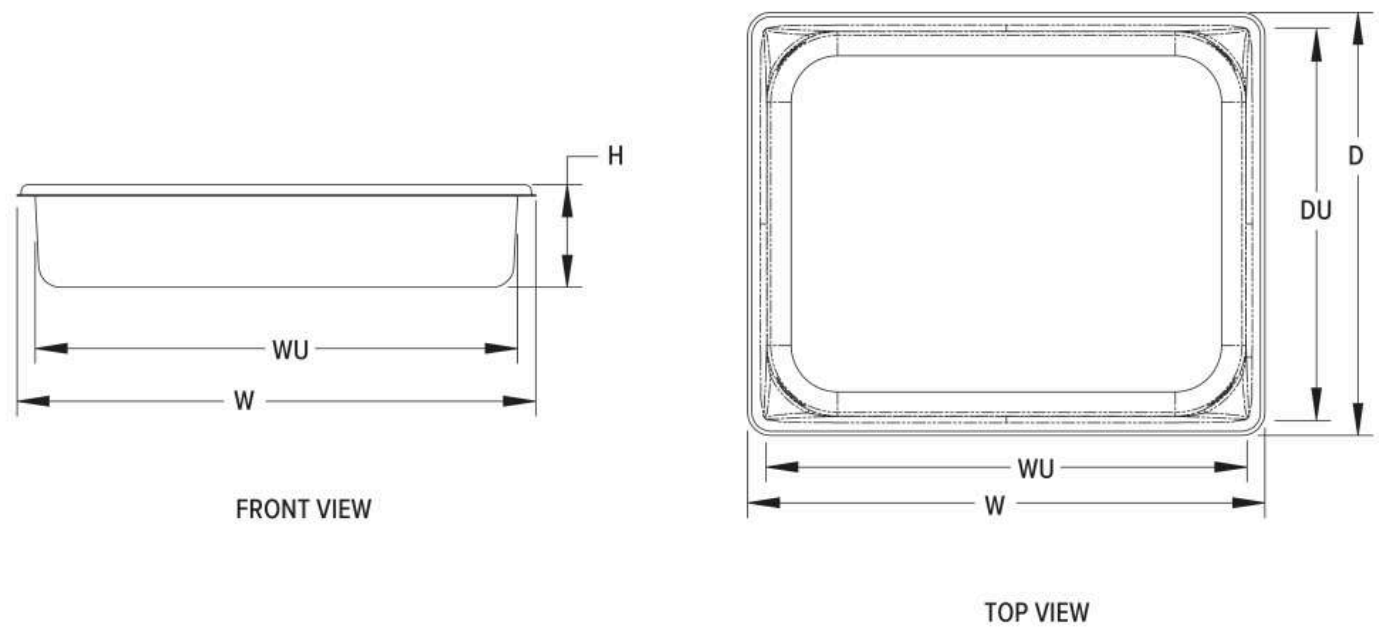

Easy to clean

Jacob's Pride® lifetime limited warranty

Holds up to 4.3 quarts

Half-size 2 ½-inch-deep Super Pan® heavy-duty stainless steel transport pan

This stainless steel pan by Vollrath is perfect for transporting and storing food. The strong construction promises years of use, and the reinforced corners add durability. The flattened edges provide a comfortable grip and prevent bending, while the stepped-shoulder design ensures a tight lid fit, helping keep food fresh and preventing messy seepage, making this pan ideal for refrigerator or freezer storage. Designed for stacking, this pan won't move during transport, while antijam stacking lugs allow easy separation and lifting of the pan.

Heavy-duty 20-gauge 300-Series stainless steel is strong and long-lasting

Reinforced corners add durability

Stepped-shoulder design ensures a tight lid fit to maintain food quality and prevent messes

Flattened edges provide a comfortable grip and prevent bending

Stackable design is ideal for storage and transport

Anijam stacking lugs allow easy separation and lifting of the pan

Covered by lifetime limited warranty — see warranty page for details

Third-size 1 ¼-inch-deep Super Pan V[®] stainless steel steam table pan

This durable 22-gauge 300-Series stainless steel pan features smooth curves and a bright finish for an elegant presentation. Resistant to dents and dings, this pan has rounded, diagonally tapered corners that are up to 300 percent stronger compared to traditional corners, and the design makes it easy to pour and scoop out food. The pan also features flat edges with higher rims to prevent loss of steam, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan.

Heavy-duty 22-gauge 300-Series
stainless steel

Newly designed pour corners are up to
300 percent stronger

Smooth curves and bright finish for a
stunning appearance

Antijamming design

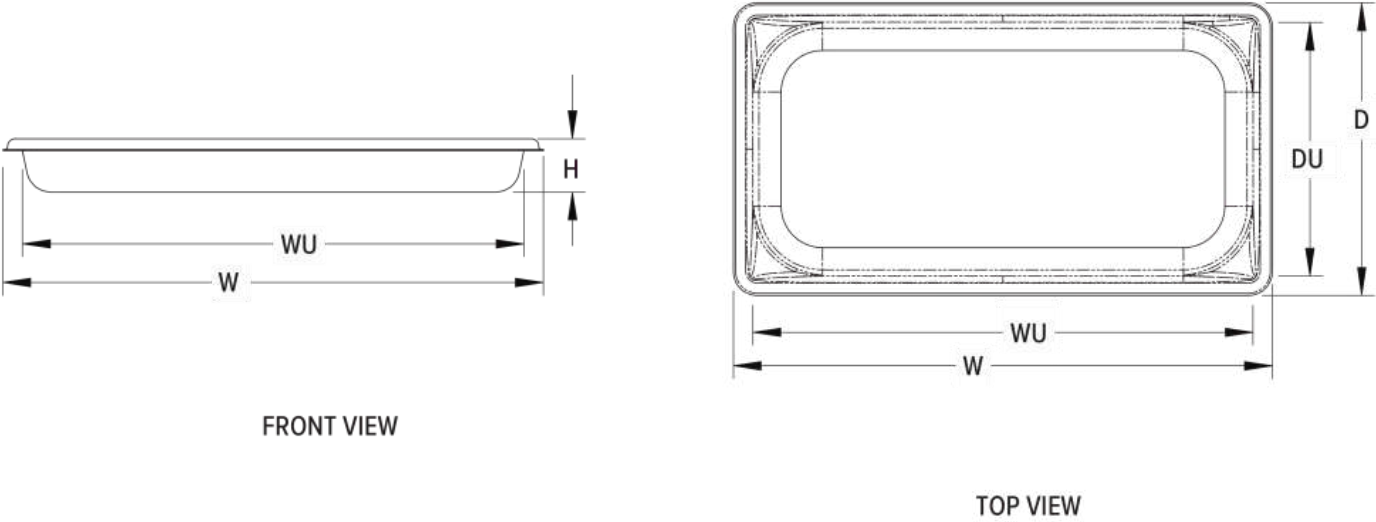

Easy to clean

Jacob's Pride® lifetime limited warranty

Holds up to 1.3 quarts

Half-long-size Super Pan 3® solid stainless steel cover	93500

Half-long-size 6-inch-deep Super Pan V[®] stainless steel steam table pan

This durable 22-gauge 300-Series stainless steel pan features smooth curves and a bright finish for an elegant presentation. Resistant to dents and dings, this pan has rounded, diagonally tapered corners that are up to 300 percent stronger compared to traditional corners, and the design makes it easy to pour and scoop out food. The pan also features flat

edges with higher rims to prevent loss of steam, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan.

Heavy-duty 22-gauge 300-Series stainless steel

Newly designed pour corners are up to 300 percent stronger

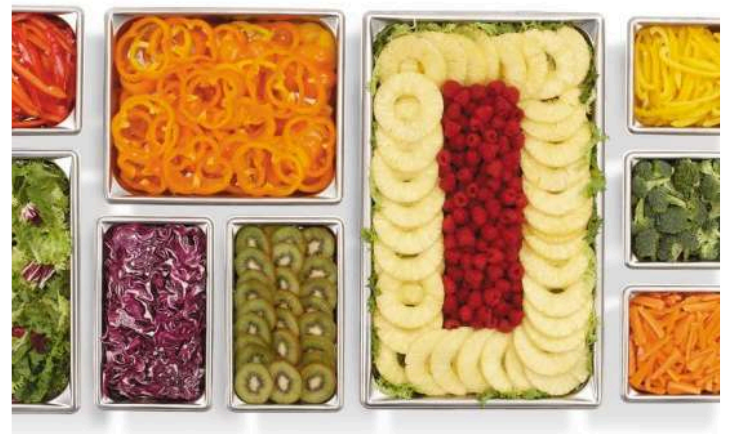

Smooth curves and bright finish for a stunning appearance

Antijamming design

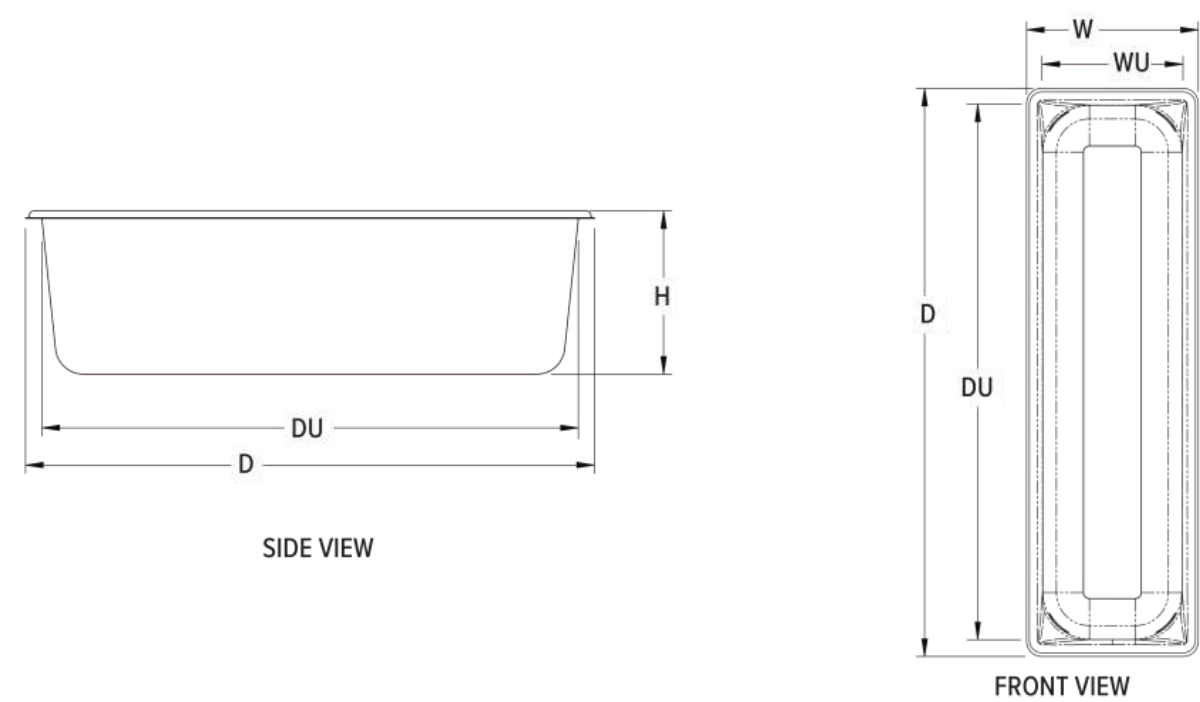

Easy to clean

Jacob's Pride® lifetime limited warranty

Holds up to 8.7 quarts

Full-size 1 ¼-inch-deep Super Pan V[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan V steam table pan offers exceptional strength and impressive nonstick performance. The strong stainless steel is durable and long-lasting, while the Steel Coat x3 nonstick coating uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. And, thanks to a temperature range of -20°F to 450°F, you can cook, serve and display in the same pan. The smooth curves and dramatic black coating create a stunning appearance, and the sleek flat edges prevent steam loss, making

it notably more efficient than weaker pans with bent edges. Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners, and antijam stacking lugs ensure easy separation and lifting of the pan.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners

Flat edges prevent steam loss for increased efficiency

Smooth curves and dramatic black coating create a sleek appearance

Antijam stacking lugs enable easy separation and lifting of the pan

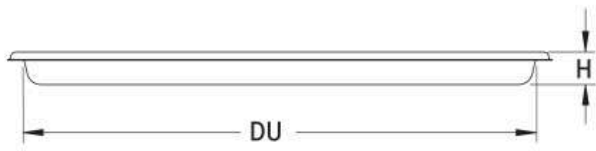

Approved for temperatures between -20°F and 450°F

Full-size 4-inch-deep Super Pan V[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan V steam table pan offers exceptional strength and impressive nonstick performance. The strong stainless steel is durable and long-lasting, while the Steel Coat x3 nonstick coating uses advanced technology to bring you longer life, better food release, faster cleaning and lower replacement costs. And, thanks to a temperature range of -20°F to 450°F, you can cook, serve and display in the same pan. The smooth curves and dramatic black coating create a stunning appearance, and the sleek flat edges prevent steam loss,

making it notably more efficient than weaker pans with bent edges. Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners, and antijam stacking lugs ensure easy separation and lifting of the pan.

- 22-gauge 300-Series stainless steel is durable and long-lasting
- Steel Coat x3 nonstick coating provides better food release and faster cleaning
- Rounded corners allow easy pouring and are up to 300 percent stronger than traditional corners
- Flat edges prevent steam loss for increased efficiency
- Smooth curves and dramatic black coating create a sleek appearance
- Antijam stacking lugs enable easy separation and lifting of the pan
- Approved for temperatures between -20°F and 450°F
- Dishwasher-safe for easy cleaning
- SteelCoat x3 nonstick interior is stain-resistant
- Not for use with metal utensils
- Made in the USA
- NSF-certified

Stainless steel slotted cover for 2 ½-quart inset

Designed for use with the Vollrath 2 ½-quart inset (Vollrath item number 78154), this slotted cover is made to reduce heat loss and keep food tasting fresh. Constructed of satin-finish 300-series stainless steel, this cover naturally hides scratches, fingerprints, and signs of wear. It features a built-in slot for your serving utensils during service, while the recessed handle keeps the cover flat for easy storage.

Durable 300-series stainless steel construction

Satin finish helps hide scratches, fingerprints, and signs of wear

Recessed handle keeps the cover flat for easy storage

Slot for a serving utensil

Helps keep food fresh during service

Designed for steam tables and microwaves — not for use in ovens, combi-steamers or convection ovens

Made in the USA

NSF-certified

PRODUCT **ACCESSORIES**

Name	Item #
2-quart stainless steel bain-marie cover	79040

Stainless steel slotted cover for 3-quart inset

Designed for use with the Vollrath 3-quart inset (Vollrath item number 65S), this slotted cover is made to reduce heat loss and keep food tasting fresh. Constructed of satin-finish 300-series stainless steel, this cover naturally hides scratches, fingerprints, and signs of wear. It features a built-in slot for your serving utensils during service, while the recessed handle keeps the cover flat for easy storage.

Durable 300-series stainless steel construction

Satin finish helps hide scratches, fingerprints, and signs of wear

Recessed handle keeps the cover flat for easy storage

Slot for a serving utensil

Antijam stacking lugs allow easy separation and lifting of the pan

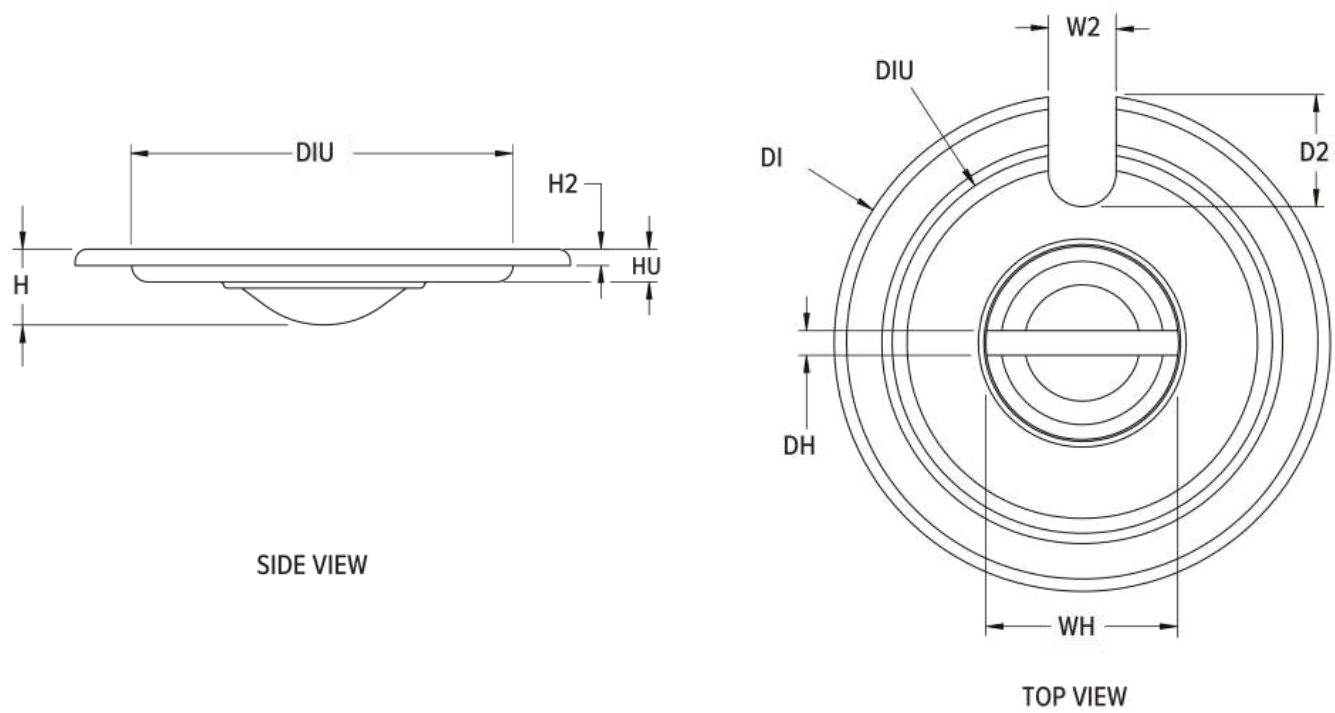

Designed for steam tables and microwaves — not for use in ovens, combi-steamers or convection ovens

Made in the USA

NSF-certified

4 1/8-quart stainless steel inset

The stainless steel inset by Vollrath features a wide, short design that ensures exceptional results. Made of durable stainless steel, this inset offers years of service, while the satin finish creates a sleek appearance and hides signs of wear. The sharp radius between sleeves rests securely in a 6 1/2-inch opening without tipping and nests with other insets for compact storage. A variety of lids are available (sold separately), to accommodate a wide range of needs.

300-Series stainless steel construction is durable and long-lasting

Full-size Super Pan 3[®] stainless steel steam table tray

The sleek Super Pan 3 steam table tray is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this tray prevents steam loss, making it notably more efficient than weaker trays with bent edges. Antijam stacking lugs enable easy separation and lifting of the tray, so removal and transportation are quick and easy.

22-gauge 300-Series stainless steel is durable and long-lasting

Reinforced spout-shaped corners make it easy to pour and scoop out food

Flat edges and higher rims prevent steam loss for notably improved efficiency

Antijam stacking lugs allow easy separation and lifting of the tray

EN 631-1-compliant for worldwide use

Covered by lifetime limited warranty — see warranty page for details

Made in the USA

NSF-certified

Full-size 2 ½-inch-deep Super Pan 3[®] stainless steel perforated steam table pan

This 22-gauge 300-Series stainless steel pan has 5/32-inch holes in the pan bottom that drain quickly and are sized to retain most foods. That makes the pan ideal for steaming foods or draining fats, juices or moisture. Tapered pour corners are stronger than previous models and resist dents and dings. Antijam stacking lugs enable easy separation and lifting of the pan, and wide edges provide a grip for ease of handling. This pan is compatible with Vollrath[®] Super Pan[®] covers and accessories.

Durable 22-gauge 300-Series stainless steel

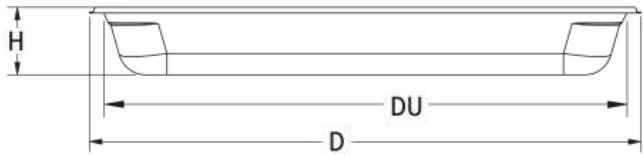

4-mm (5/32-inch) drain holes on the bottom of pan only

Ideal for steaming foods or draining away fats, juices or moisture

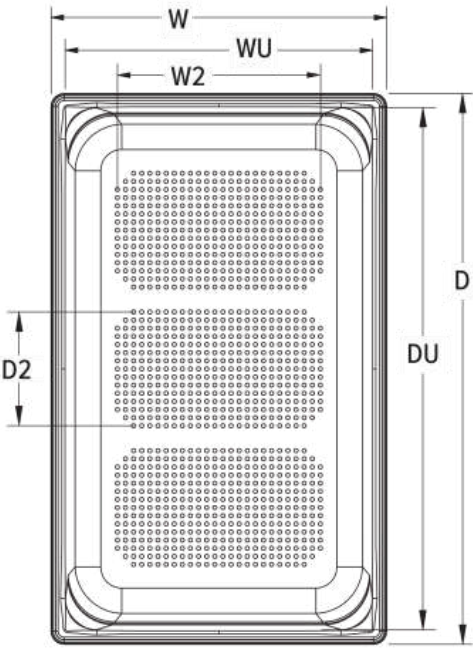

Wide edges provide sturdy grip

Full-size 8-inch-deep Super Pan 3[®] stainless steel steam table pan

This durable 22-gauge 300-Series stainless steel pan is EN631-1-compliant for worldwide use. It features strong, reinforced spout-shaped corners that make it easy to pour and scoop out food. The pan also features flat edges with higher rims to prevent loss of steam, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan.

Sturdy 22-gauge 300-Series stainless
steel

EN631-1-compliant for worldwide use

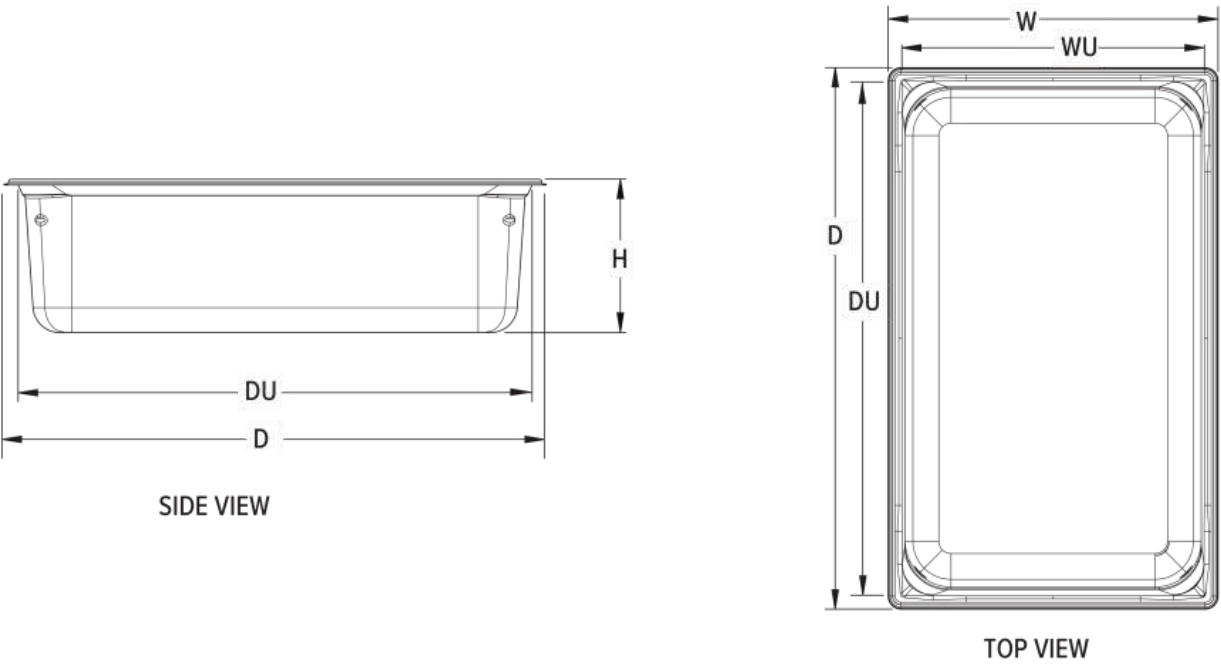

Antijamming lugs and reinforced spout-shaped corners

Jacob's Pride® lifetime limited warranty

Holds up to 27.5 quarts

Two-thirds-size Super Pan 3[®] stainless steel steam table tray

The sleek Super Pan 3 steam table tray is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this tray prevents steam loss, making it notably more efficient than weaker trays with bent edges. Antijam stacking lugs enable easy separation and lifting of the tray, so removal and transportation are quick and easy.

22-gauge 300-Series stainless steel is durable and long-lasting

Reinforced spout-shaped corners make it easy to pour and scoop out food

Flat edges and higher rims prevent steam loss for notably improved efficiency

Antijam stacking lugs allow easy separation and lifting of the tray

Half-size 1 ½-inch-deep Super Pan 3[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan 3 steam table pan enhances both hot- and cold-food presentations. This durable pan is made of strong stainless steel that resists dents and dings. The reinforced spout-shaped corners make it easy to pour and scoop out food, while the flat edges and higher rims prevent steam loss for increased efficiency. The Steel Coat x3 nonstick coating

uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Reinforced corners offer additional strength

Flat edges and higher rims prevent steam loss for increased efficiency

Antijamming design allows easy separation and lifting of the pan

Dramatic black interior enhances cold- and hot-food presentations

Temperature range of -20°F to 450°F

Not for use with metal utensils

Dishwasher-safe for easy cleaning

Half-size 2 ½-inch-deep Super Pan 3[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan 3 steam table pan enhances both hot- and cold-food presentations. This durable pan is made of strong stainless steel that resists dents and dings. The reinforced spout-shaped corners make it easy to pour and scoop out food, while the flat edges and higher rims prevent steam loss for increased efficiency. The Steel Coat x3 nonstick coating

uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Reinforced corners offer additional strength

Flat edges and higher rims prevent steam loss for increased efficiency

Antijamming design allows easy separation and lifting of the pan

Dramatic black interior enhances cold- and hot-food presentations

Temperature range of -20°F to 450°F

Not for use with metal utensils

Dishwasher-safe for easy cleaning

Made in the USA

NSF-certified

Half-size 4-inch-deep Super Pan 3® stainless steel steam table pan

The sleek Super Pan 3 steam table pan is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this pan prevents steam loss, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan, so removal and transportation are quick and easy.

22-gauge 300-Series stainless steel is durable and long-lasting

Reinforced spout-shaped corners make it easy to pour and scoop out food

Flat edges and higher rims prevent steam loss for notably improved efficiency

Antijam stacking lugs allow easy separation and lifting of the pan

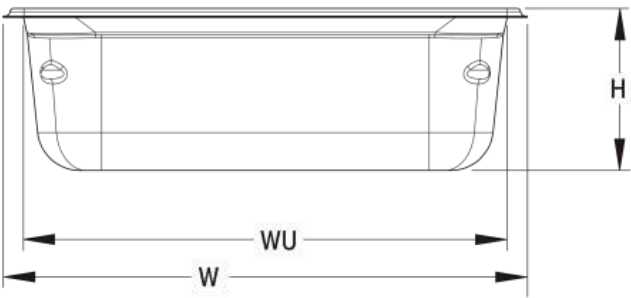

EN 631-1-compliant for worldwide use

Third-size 2 ½-inch-deep Super Pan 3[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan 3 steam table pan enhances both hot- and cold-food presentations. This durable pan is made of strong stainless steel that resists dents and dings. The reinforced spout-shaped corners make it easy to pour and scoop out food, while the flat edges and higher rims prevent steam loss for increased efficiency. The Steel Coat x3 nonstick coating

uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Reinforced corners offer additional strength

Flat edges and higher rims prevent steam loss for increased efficiency

Antijamming design allows easy separation and lifting of the pan

Dramatic black interior enhances cold- and hot-food presentations

Temperature range of -20°F to 450°F

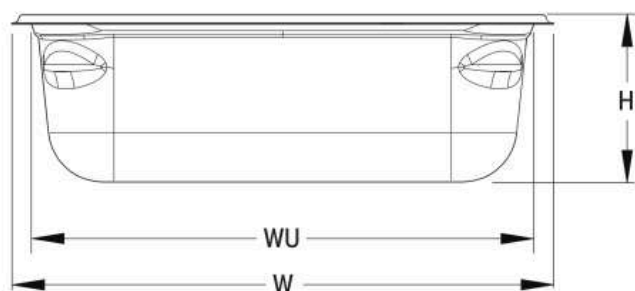

Not for use with metal utensils

Dishwasher-safe for easy cleaning

Third-size 4-inch-deep Super Pan 3[®] stainless steel steam table pan

The sleek Super Pan 3 steam table pan is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this pan prevents steam loss, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan, so removal and transportation are quick and easy.

22-gauge 300-Series stainless steel is durable and long-lasting

Reinforced spout-shaped corners make it easy to pour and scoop out food

Flat edges and higher rims prevent steam loss for notably improved efficiency

Antijam stacking lugs allow easy separation and lifting of the pan

EN 631-1-compliant for worldwide use

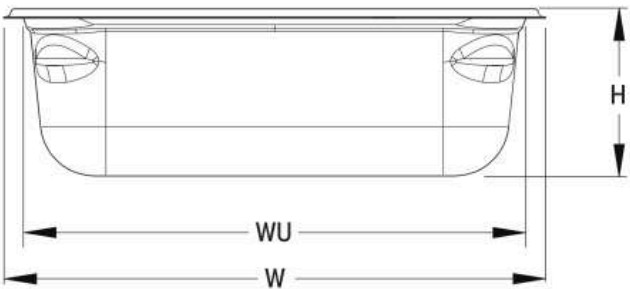

Covered by lifetime limited warranty — see warranty page for details

Third-size 4-inch-deep Super Pan 3[®] stainless steel perforated steam table pan

This 22-gauge 300-Series stainless steel pan has 5/32-inch holes in the bottom and sides that drain quickly and are sized to retain most foods. That makes the pan ideal for steaming foods or draining fats, juices or moisture. Tapered pour corners are stronger than previous models and resist dents and dings. Antijam stacking lugs enable easy separation and lifting of the pan, and wide edges provide a grip for ease of handling. This pan is compatible with Vollrath[®] Super Pan[®] covers and accessories.

Durable 22-gauge 300-Series stainless steel

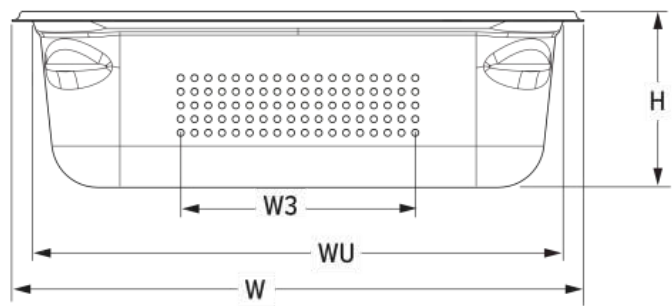

4-mm (5/32-inch) drain holes on the bottom of pan only

Ideal for steaming foods or draining away fats, juices or moisture

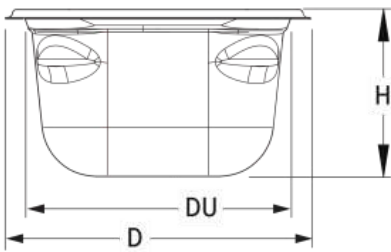

Wide edges provide sturdy grip

Third-size 4-inch-deep Super Pan 3[®] stainless steel steam table pan with Steel Coat x3[™] nonstick coating

The Super Pan 3 steam table pan enhances both hot- and cold-food presentations. This durable pan is made of strong stainless steel that resists dents and dings. The reinforced spout-shaped corners make it easy to pour and scoop out food, while the flat edges and higher rims prevent steam loss for increased efficiency. The Steel Coat x3 nonstick coating

uses advanced technology for longer life, better food release, faster cleaning and lower replacement costs. Antijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

22-gauge 300-Series stainless steel is durable and long-lasting

Steel Coat x3 nonstick coating provides better food release and faster cleaning

Reinforced corners offer additional strength

Flat edges and higher rims prevent steam loss for increased efficiency

Antijamming design allows easy separation and lifting of the pan

Dramatic black interior enhances cold- and hot-food presentations

Temperature range of -20°F to 450°F

Not for use with metal utensils

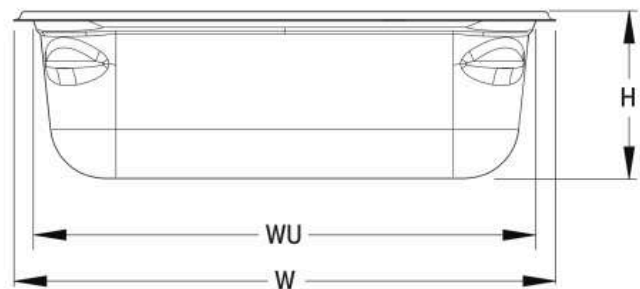

Dishwasher-safe for easy cleaning

Made in the USA

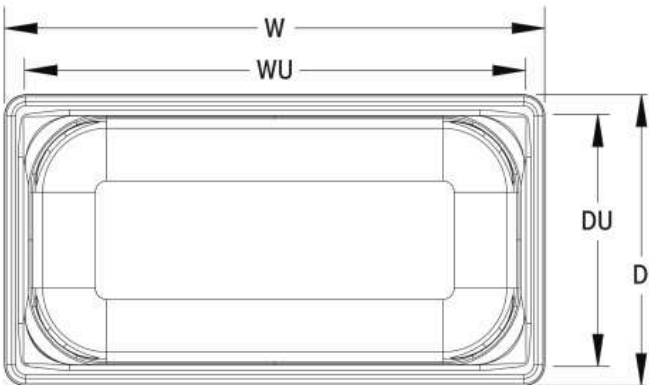

NSF-certified

Fourth-size Super Pan 3® stainless steel false bottom	70400
Fourth-size Super Pan 3® solid stainless steel cover	93400
Fourth-size Super Pan 3® slotted stainless steel cover	94400

Fourth-size 8-inch-deep Super Pan 3[®] stainless steel steam table pan

The sleek Super Pan 3 steam table pan is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this pan prevents steam loss, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan, so removal and transportation are quick and easy.

22-gauge 300-Series stainless steel is durable and long-lasting

Reinforced spout-shaped corners make it easy to pour and scoop out food

Flat edges and higher rims prevent steam loss for notably improved efficiency

Antijam stacking lugs allow easy separation and lifting of the pan

EN 631-1-compliant for worldwide use

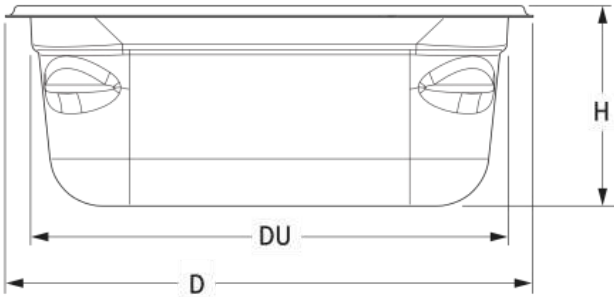

Covered by lifetime limited warranty — see warranty page for details

Made in the USA

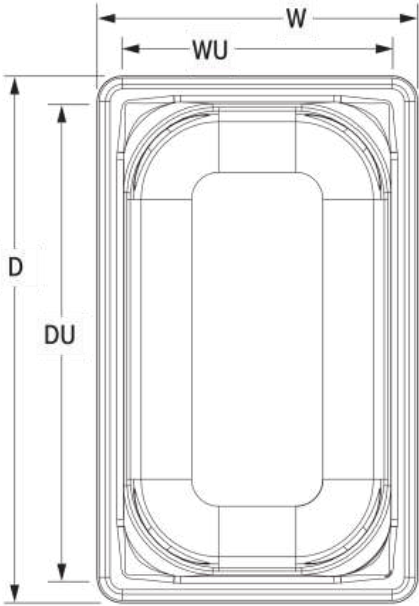

NSF-certified

Half-size 2-inch-deep Super Pan® stainless steel Super Shapes oval wild pan

Achieve a dramatic, upscale food presentation with minimal investment with the Super Pan Super Shapes oval wild pan by Vollrath. Made of stainless steel, this pan is durable and long-lasting. Reinforced edges and corners resist dents and dings, and the shape creates customized portions that reduce overall food waste. It displays with Super Pan V® and Super Pan 3® pans beautifully, as well as other wild pans, and stacks neatly when not in use for easy storage.

22-gauge 300-Series stainless steel is durable and long-lasting

Unique shape enhances food presentation

Reduced capacity reduces food waste

Displays with Super Pan V, Super Pan 3 and other wild pans beautifully

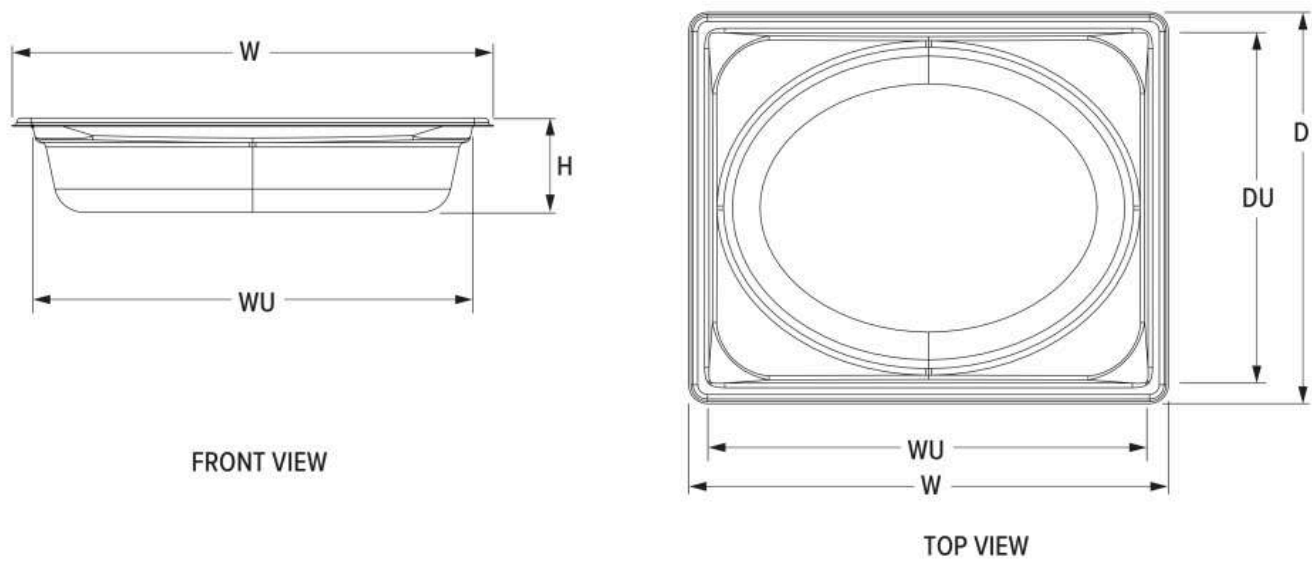

Pans stack neatly for easy storage

Made in USA

NSF-certified

Half-size 8-inch-deep Super Pan® heavy-duty stainless steel steam table pan with flat corners

You can't go wrong with the Super Pan steam table pan by Vollrath. Made of heavy-duty stainless steel, this pan resists dents and dings, standing up to constant use with ease, and the reinforced corners add durability. Flat corners and edges keep the pan tight in food wells for top-notch performance. Anijam stacking lugs enable easy separation and lifting of the pan, and the smooth interior is easy to clean.

Heavy-duty 20-gauge 300-Series stainless steel is durable and long-lasting

Reinforced corners provide additional strength

Flat corners and edges keep the pan tight in food wells for superior performance

Antijamming design allows easy separation and lifting of the pan
