Hold-down grid for full-size Signature rack

Keep small items safe and secure during washing with the hold-down grid by Vollrath. This reliable grid sits on top of your full-size Signature washing rack to prevent small items from falling out, so you can wash tools of any size in your washing machine without worrying about breakage or damage. The smooth plastisol coating helps protect items, further preventing damage during washing.

Designed for full-size Signature
warewashing racks

Plastisol coating helps prevent damage

Made in the USA

Signature full-size open glass rack extender in cocoa

This cocoa full-size Signature glass rack extender offers versatility for your warewashing system. Use it to quickly and easily change the height of your Vollrath glass racks to allow your racks to hold a different size and type of glass. Using an extender with your racks is an economical way to expand your warewashing capabilities using the glass racks you already have. This riser fits all full-size Vollrath Signature glass racks and adds up to 1 1/2" to the overall height of your glass rack.
