Double sided hand washing station with fresh and grey water portable tanks

This stainless steel double-sided hand washing station is perfect for times when additional hand washing is required. Constructed of stainless steel with a polished finish, this unit comes equipped with 2 round sinks, 2 faucets, towel dispensers, soap dispensers, and an acrylic divider to protect from unwanted germs. This unit can be stationary or mobile and is fully-equipped with a 10-gallon fresh water tank and a 13-gallon waste water tank, making this wash station a must have for outdoor events or group outings.

- Stainless steel construction

Acrylic shield reduces exposure to user on other side

Sink, faucet, towel dispenser, and soap dispenser on each side for a more streamlined flow

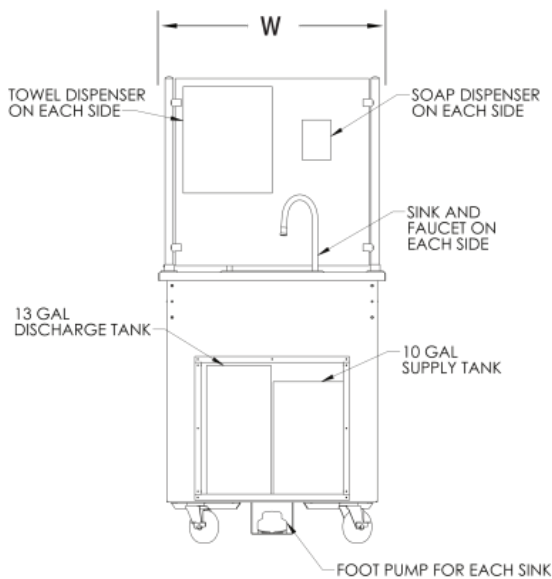

Foot pump with each sink for hands-free operation
- 4-inch locking casters or adjustable leveling legs

10-gallon fresh water tank

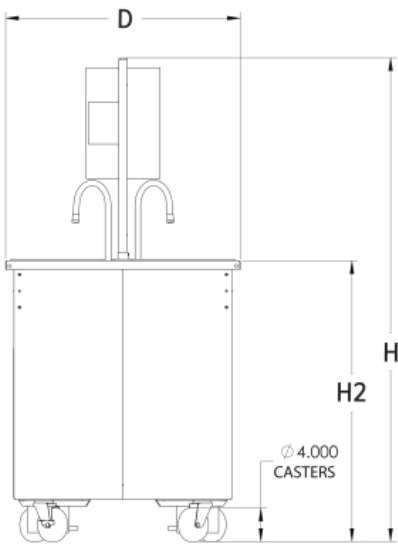

13-gallon discharge tank

28-inches wide x 28-inches deep x 34-inches high (58-inches high with acrylic shield)
