# 120-volt twin-well soup merchandiser and menu board with Country Kitchen graphics

The Vollrath® twin-well soup merchandiser efficiently holds and heats your soups while creating an attractive display. This unit has two wells with individual controls, allowing you to merchandise two products at once. Recessed controls prevent accidental adjustments, while a low-water light and lighted on/off switches keep you informed. The durable stainless steel menu board has a clear graphic coating that resists chips and wear while holding soup cards. The attractive exterior graphics are Country Kitchen-themed and read “Fresh Soup,” making this the ideal merchandiser for buffets, restaurants, salad bars and more.

Each well holds a 7¼-quart inset that is perfect for soups, stews and more

Country Kitchen-themed graphics catch customers’ attention

Base unit and menu board create an attractive display

NSF-listed for hot holding and rethermalizing

Individual temperature controls allow merchandising of multiple products at once

## 120-volt full-size soup merchandiser with 7-quart accessory kit, menu board and Tuscan graphics

The full-size soup merchandiser by Vollrath holds and heats your soups efficiently while creating an attractive display. Recessed controls prevent accidental adjustments, while a low-water light and a lighted on/off switch keeps you informed. This unit comes with an accessory kit that provides everything you need for two 7-quart setups. The durable

stainless steel menu board has a clear graphic coating that resists signs of wear and holds soup cards. The attractive exterior graphic features a Tuscan theme, making this the ideal merchandiser for buffets, restaurants, salad bars and more.

- Each well holds a 7-quart inset that is perfect for soups, stews and more
- Lighted on/off control, low-water indicator light, and recessed controls ensure ease of use
- Wide feet maintain stability
- Stainless steel menu board resists chips and wear
- Durable graphics feature Tuscan theme and catch customer's attention

- Made in the USA
- NSF-listed for hot holding and rethermalizing
- Made-to-order item. These items require additional time for fulfillment. Made-to-order items cannot be changed, canceled or returned and may be subject to a minimum-order quantity. Contact your Vollrath sales representative for details.
