12-section-wedge wall-mount Insta Cut® 3.5 manual food processor

Save time and energy with the wall-mount Insta Cut 3.5 manual food processor by Vollrath. This sturdy wedger cuts fruits and vegetables accurately with one stroke, without causing bruising or waste, thanks to the sharp blades. The 12-section-wedge blade assembly simply pops in and out for easy changing and cleaning, and its speed makes it perfect for any prep kitchen. The wall-mount design saves space and prevents any unwanted movement.

Sharp blades cut a variety of fruits and vegetables without causing bruising or waste

Not intended for hard root vegetables like carrots

- Thermoset, corrosion-resistant blade assembly doesn't need to be adjusted

Wall-mount design saves space and prevents unwanted movement

Blade assembly pops in and out for quick changing and cleaning
- Additional blades, such as dicers or corers, are sold separately for added versatility

NSF-certified

2-year limited warranty — does not include blades

InstaCut® Cucumber Slicer

Quickly core and section cucumbers for salad bars and sushi with the InstaCut® cucumber slicer! Able to create quick, clean cuts with minimal bruising, the durable blade frames never need to be adjusted and are resistant to corrosion. The aluminum body and stainless steel rods are designed to be lightweight yet strong, enabling you to create wedges up to 3x faster than by hand.

This sturdy tabletop unit features a pop-in, pop-out blade assembly design that allows you to change the amount of desired sections with additional blade sets (sold separately), making it a true workhorse in your busy commercial kitchen.

Slices cucumbers lengthwise and cores at the same time

Great for salad bars and sushi
3x faster than cutting by hand

$\frac{3}{8}$ -inch-slice Onion King™ onion slicer

The Vollrath® $\frac{3}{8}$ -inch-slice Onion King improves portion control with its precise slices. Create $\frac{3}{8}$ -inch cuts with this slicer's seven thin blades. Quick and efficient, this slicer cuts through whole onions and other firm vegetables in one smooth stroke for faster production and higher-quality results. This onion slicer can also cut through potatoes, squash, lemons and other firm vegetables without crushing or bruising. This durable slicer is built to last and is perfect for any prep kitchen. This unit's 2-year limited warranty does not include the blades.

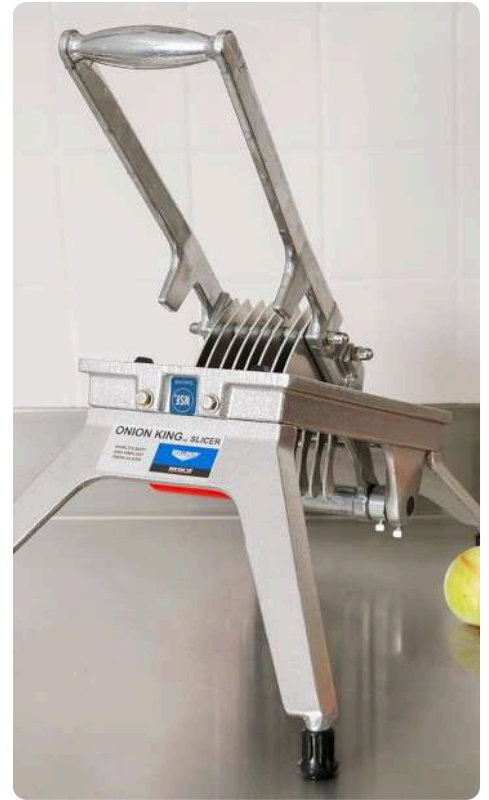

Easily slices onions and other firm vegetables

Sharp blades create consistent slices without crushing or bruising

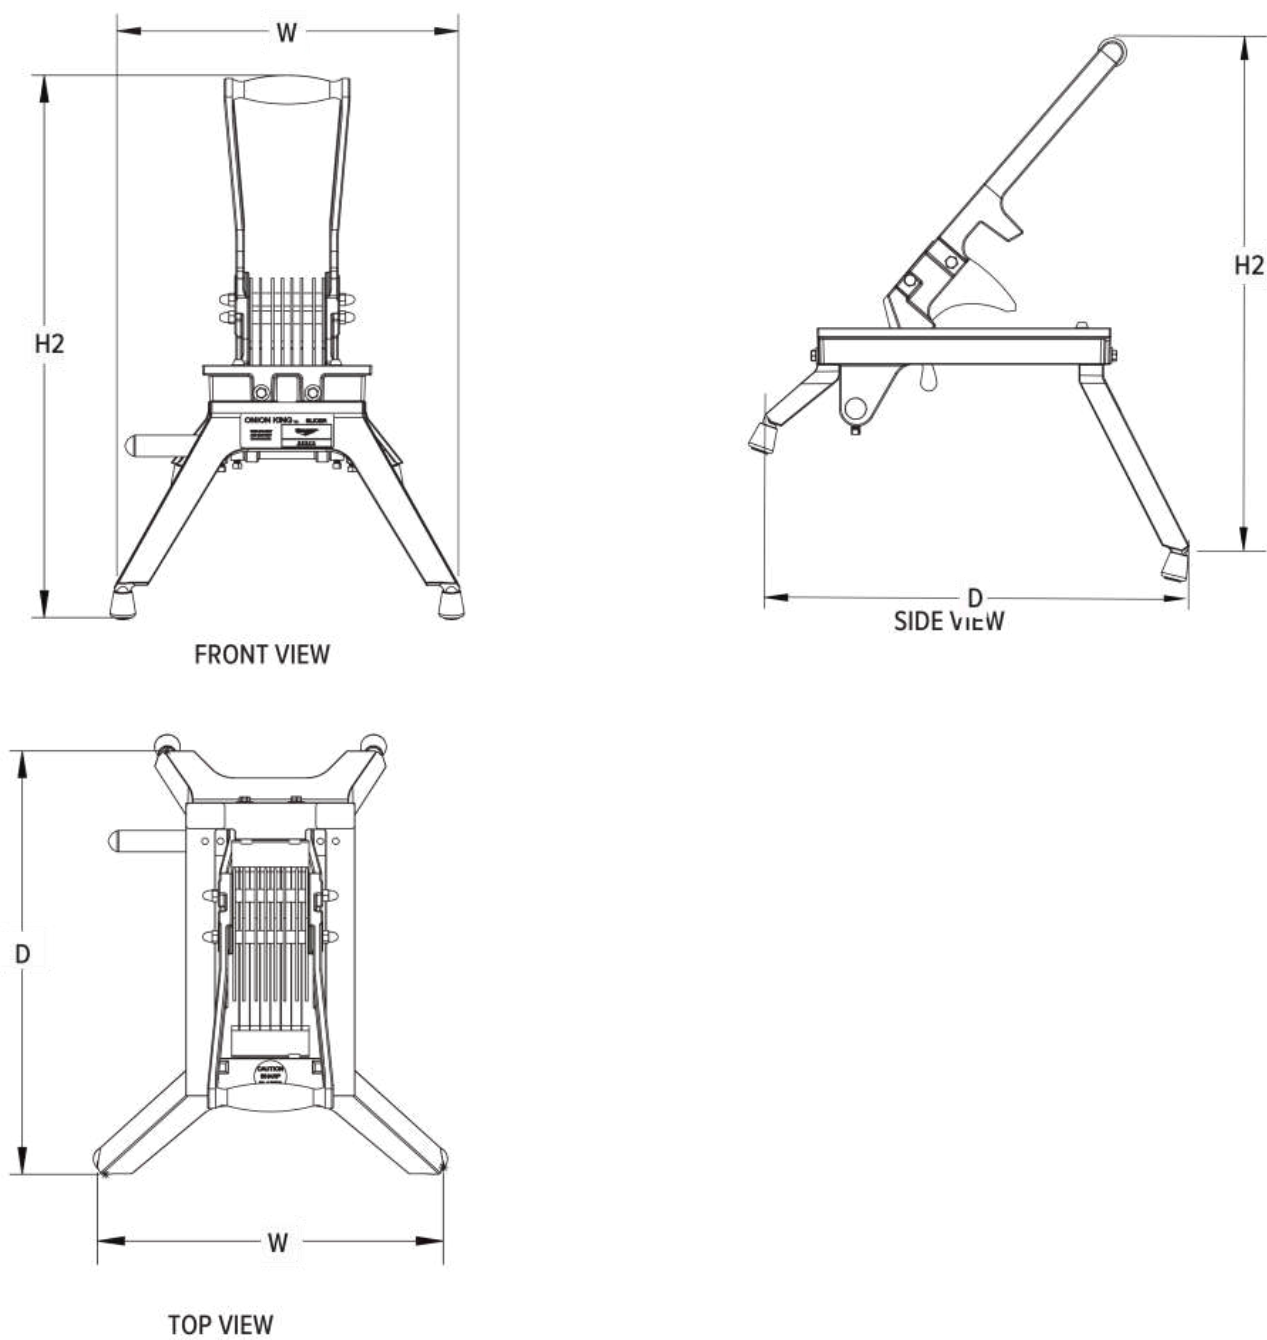

Wide legs maintain stability

Rubber feet prevent movement

Works best with 3-inch diameter onions

1/4-inch-slice Tomato Pro™ tomato slicer with straight blades and safety guard

Prepare perfect tomato slices with the 1/4-inch-slice Tomato Pro tomato slicer by Vollrath. This sturdy slicer accurately cuts tomatoes, strawberries, oranges and more with one stroke, without causing bruising or waste. The unique design of this unit allows tomatoes to be sliced without prescoring, and the straight slicing blade creates consistent slices. A positive-stop arm prevents the unit from moving during use, and the safety guard prevents accidental

injury. The base is made of high-density polyethylene material that resists corrosion from tomato acids and other harsh foods, promising a level of longevity and durability that's ideal for any prep kitchen.

Cuts tomatoes, strawberries, oranges and more

Safety guard prevents accidental injury

Base is made of NSF-approved, high-density polyethylene material that resists corrosion and extends the life of this unit

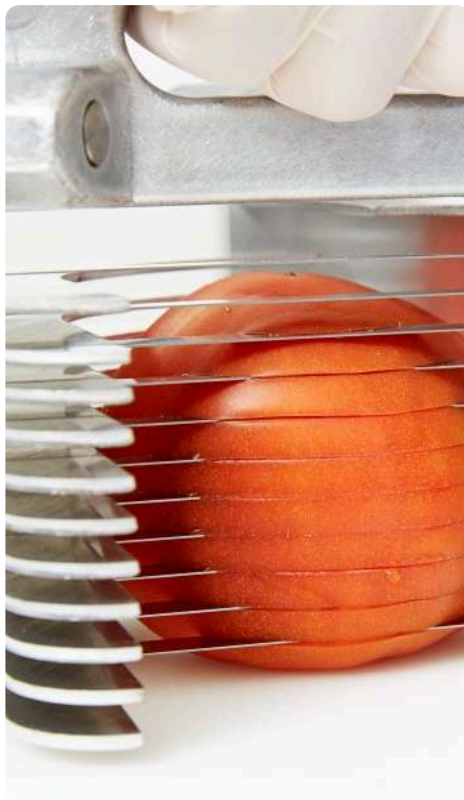

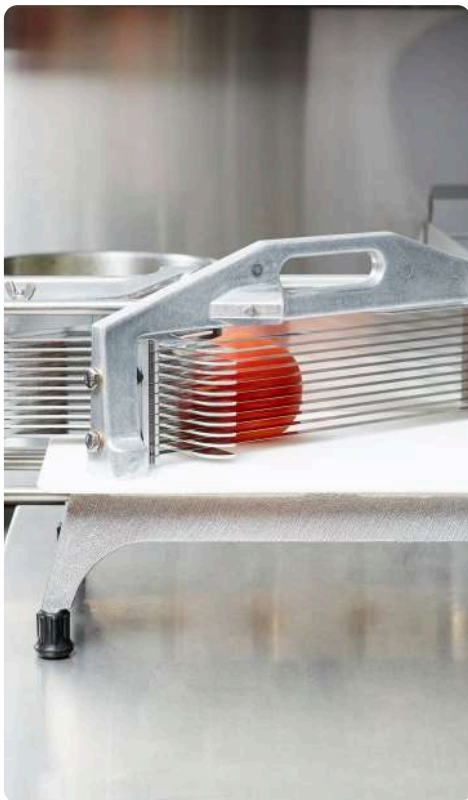

Positive-stop arm and solid base legs maintain stability

Scalloped blades are sold separately for added versatility

Fits tomatoes up to 3 ½ inches in size

NSF-certified

2-year limited warranty, does not cover Tomato Pro blades

3/16-inch-cut Lettuce King™ I lettuce cutter

Use the Vollrath® 3/16-inch-cut Lettuce King I to eliminate 75 percent of the time and cost of shredding lettuce. The 3/16-inch blades are precise and prevent bruising, reducing waste. Cut a quarter of a head of lettuce at a time, or for increased versatility, try cutting other foods like cantaloupe, cucumbers or even cooked chicken. With a wide base and ergonomic handle, this cutter is stable, strong and easy to use. This unit's 2-year limited warranty does not include the blades.

Ideal for lettuce, cantaloupe,
cucumbers, chicken and more

Sharp blades make quick, clean cuts

Durable stainless steel and aluminum
body is built for years of service

Wide legs maintain stability

Rubber feet prevent movement

Ergonomic handle allows for a steady
grip

Fits ¼-head of lettuce at one time

1/4-inch-slice fruit slicer

Save time and energy with the Vollrath® fruit slicer. This sturdy countertop unit makes accurate 1/4-inch-cuts with one stroke of the textured handle, without causing bruising or waste. The 28 blades have a 5-inch-cutting surface, slicing large amounts of fruits at once. With a durable body and strong blades, this fruit slicer is perfect for any prep kitchen.

Easily cuts a variety of fruits

Sharp blades create clean, consistent slices

Textured handle allows for a steady grip

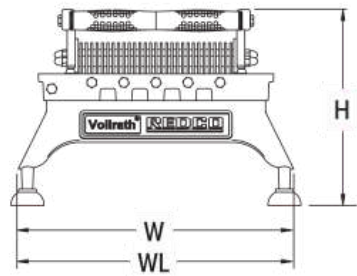

Suction cup feet prevent movement during use

Wash thoroughly after using to prevent corrosion

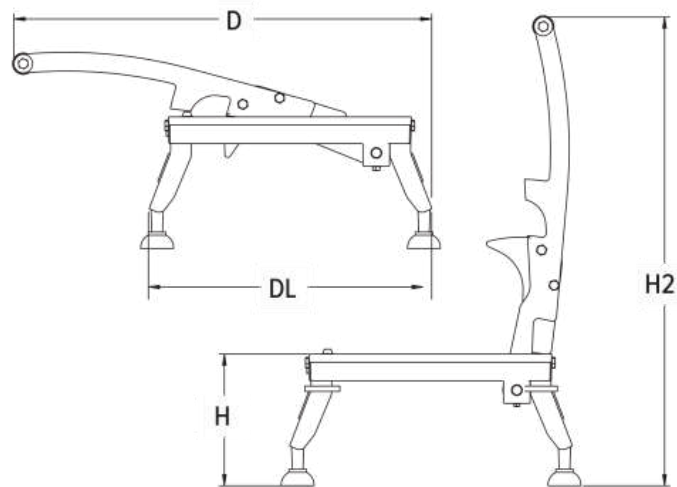

5-inch slicing area cuts through large amounts of fruit in one stroke

4-section Wedgemaster™ fruit and vegetable wedger

The Vollrath® 4-section Wedgemaster is a versatile tool for any kitchen. This durable wedger is built to last, and the strong blades easily create four consistent wedges. The compact design saves counter space, and the solid legs maintain stability. This Wedgemaster™ works with both fruits and vegetables, and the simple operation makes this unit ideal for fast-production kitchens. This unit's 2-year limited warranty does not include the blades.

Ideal for lemons, limes, tomatoes, pickles, potatoes and more

Sharp blades create consistent wedges

Wide legs maintain stability

Rubber feet prevent movement

3/16-inch-slice Onion King™ onion slicer

The Vollrath® 3/16-inch-slice Onion King improves portion control with its precise slices. Create 3/16-inch cuts with this slicer's 13 thin blades. Quick and efficient, this slicer cuts through whole onions and other firm vegetables in one smooth stroke for faster production and higher-quality results. This onion slicer can also cut through potatoes, squash, lemons and other firm vegetables without crushing or bruising. This durable slicer is built to last and is perfect for any prep kitchen. This unit's 2-year limited warranty does not include the blades.

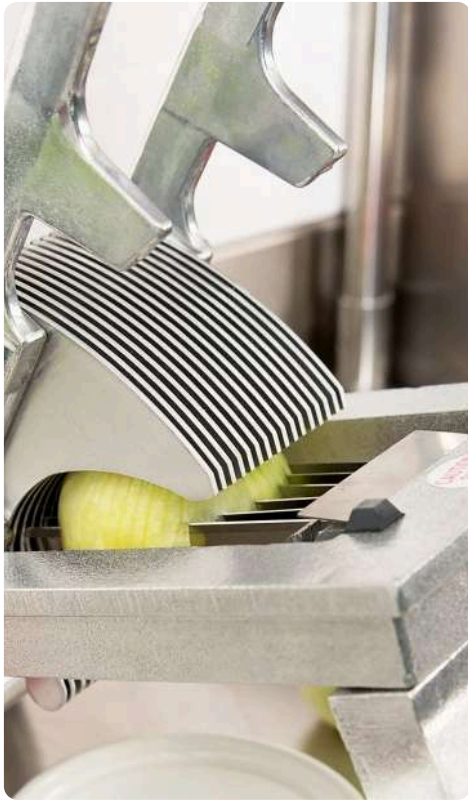

Easily slices onions and other firm vegetables

Sharp blades create consistent slices without crushing or bruising

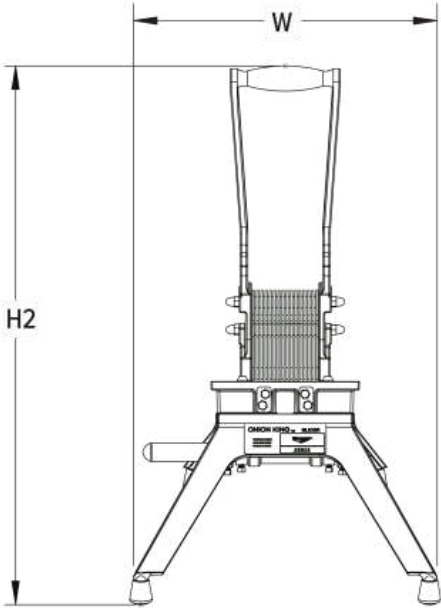

Wide legs maintain stability

Rubber feet prevent movement

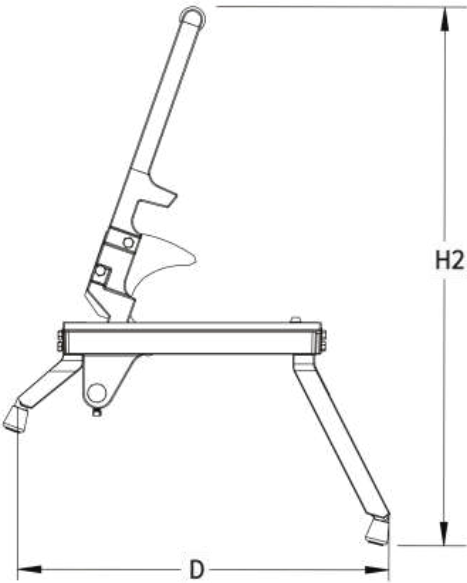

Works best with 3-inch diameter onions

3/16-inch-slice replacement blade assembly for Onion King™ onion slicer

Create precise, even slices of onion with this replacement blade assembly for your Onion King onion slicer. Simply replace your current blade or swap this one with another to change your slice size. You'll get a clean cut in one quick stroke, thanks to strong, sharp blades, helping to prevent waste, improve portion control and create high-quality results.

Designed for onions, as well as other firm vegetables

Sharp blades create clean, consistent slices

Use with your Onion King onion slicer

6-section Wedgemaster™ fruit and vegetable wedger

The Vollrath® 6-section Wedgemaster is a versatile tool for any kitchen. This durable wedger is built to last, and the strong blades easily create six consistent wedges. The compact design saves counter space, and the solid legs maintain stability. This Wedgemaster™ works with both fruits and vegetables, and the simple operation makes this unit ideal for fast-production kitchens. This unit's 2-year limited warranty does not include the blades.

Ideal for lemons, limes, tomatoes, pickles, potatoes and more

Sharp blades create consistent wedges

Wide legs maintain stability

Rubber feet prevent movement

3/16-inch-slice Tomato Pro™ tomato slicer with straight blades

Easily prepare perfect tomato slices with the Vollrath® 3/16-inch-slice Tomato Pro tomato slicer. This sturdy slicer accurately cuts tomatoes, strawberries, oranges and more with one stroke, without causing bruising or waste. The unique design of this unit allows tomatoes to be sliced without prescoring, and the straight 3/16-inch slicing blade creates consistent slices. A positive-stop arm prevents the unit from moving during use, and the base of the unit is made out of high-density polyethylene material that resists corrosion from tomato acids and other harsh foods. This tomato slicer is built to last and is ideal for any prep kitchen.

Easily cuts tomatoes, strawberries, oranges and more

Base is made of NSF-approved, high-density polyethylene material that resists corrosion and extends the life of this unit

Positive-stop arm and solid base legs maintain stability

Scalloped blades are sold separately for added versatility

Fits tomatoes up to 3½ inches in size

2-year limited warranty, does not cover Tomato Pro blades

Tomato Pro™ Straight 11 Blade Assembly, 1/4" Cut
--

0654

1/4-inch-slice Tomato Pro™ tomato slicer with scalloped blades

Prepare perfect tomato slices with the Tomato Pro tomato slicer by Vollrath. This sturdy slicer accurately cuts tomatoes, strawberries, oranges and more with one stroke, without causing bruising or waste. The unique design of this unit allows tomatoes to be sliced without prescoring, and the scalloped slicing blade creates consistent slices. A positive-stop arm and solid base legs maintain stability and prevent the unit from moving during use. The base is made of high-density polyethylene material that resists corrosion from tomato acids and other harsh foods, promising a level of longevity and durability that's ideal for any prep kitchen.

Cuts tomatoes, strawberries, oranges and more

Base is made of NSF-approved, high-density polyethylene material that resists corrosion and extends the life of this unit

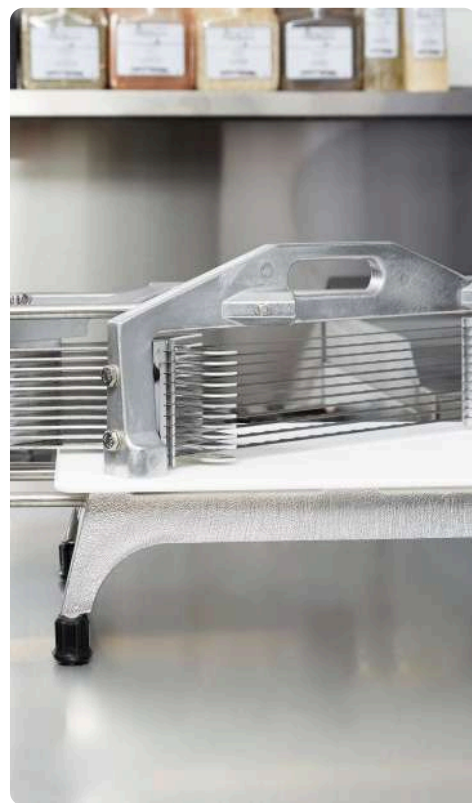

Positive-stop arm and solid base legs maintain stability

Straight blades are sold separately for added versatility

Fits tomatoes up to 3 ½ inches in size

NSF-certified

2-year limited warranty, does not cover Tomato Pro blades

6-section Wedgemaster II™ fruit and vegetable wedger

The Vollrath® 6-section Wedgemaster II is a versatile tool for any kitchen. This unit is constructed of high-quality polycarbonate material, and the strong blades easily create six consistent wedges. Ideal for fast-production kitchens, this wedger's one-stroke operation is three-times faster than cutting by hand. The compact design saves counter space, and the solid legs maintain stability. This durable wedger is built to last and is perfect for lemons, limes, tomatoes, pickles, potatoes and more. This unit's 2-year limited warranty does not include the blades.

Easily cuts a variety of fruits and vegetables

Polycarbonate material is durable, dishwasher safe and holds up against acidic juices

Sharp blades create consistent wedges

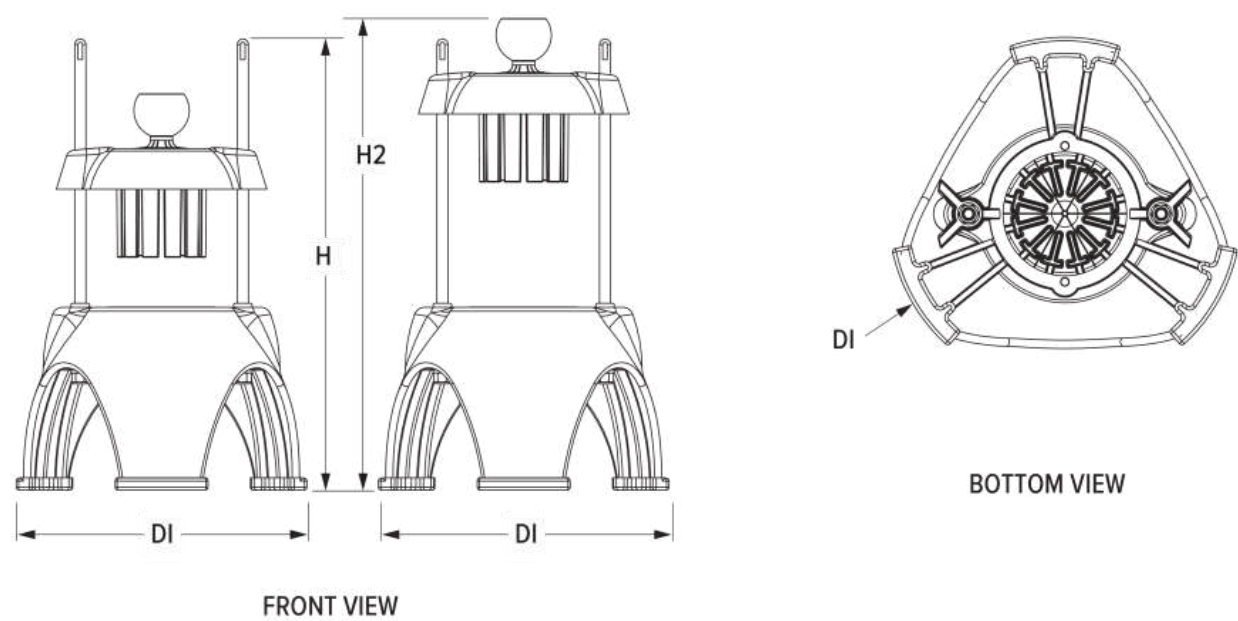

Wide legs maintain stability

Rubber feet prevent movement

Additional 4-, 8-, and 12-wedge blades are sold separately for added versatility

8-section Wedgemaster™ fruit and vegetable wedger

The Vollrath® 8-section Wedgemaster is a versatile tool for any kitchen. Easily create eight consistent wedges with this wedger's strong blades. Ideal for fast-production kitchens, this wedger's one-stroke operation is three-times faster than cutting by hand. The compact design saves counter space, and the solid legs maintain stability. This durable wedger is built to last and is perfect for lemons, limes, tomatoes, pickles, potatoes and more. This unit's 2-year limited warranty does not include the blades.

Easily cuts a variety of fruits and vegetables

Sharp blades create consistent wedges

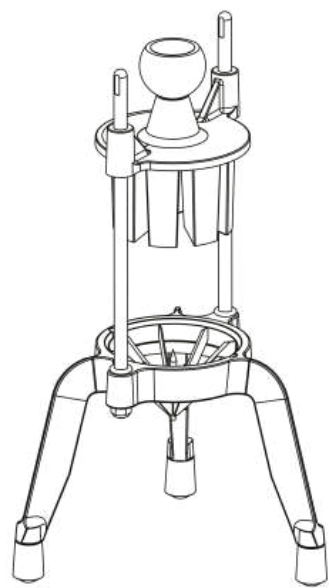

Wide legs maintain stability

Rubber feet prevent movement

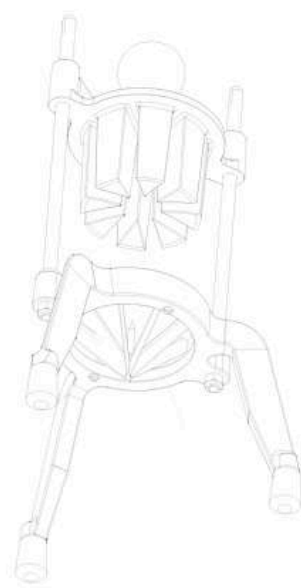

Additional 6-section-wedge blade assembly is sold separately for added versatility

Grill Tender® scraper

The Vollrath® Grill Tender saves you time and effort. This item quickly removes carbonized food with the strong steel-point blade. An extra-long handle and splash guard protect you from grease splatter that may cause burns, and the red ergonomic handle provides additional leverage. This scraper can be put together quickly, is protected under a 2-year limited warranty, and makes cleaning your grill an easy task.

Quickly and easily cleans your grill

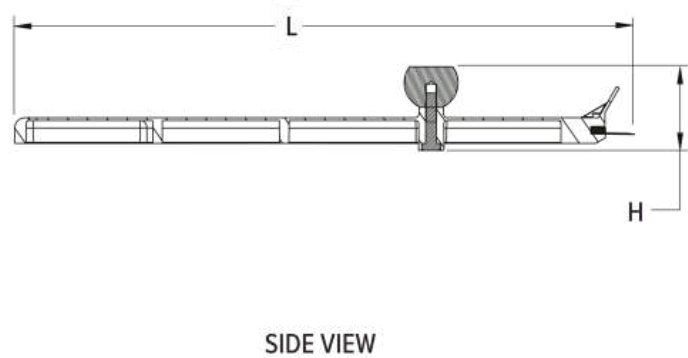

Durable steel-point blade works fast to remove carbonized food

Extra-long handle, splash guard and ergonomic grip ensure ease of use

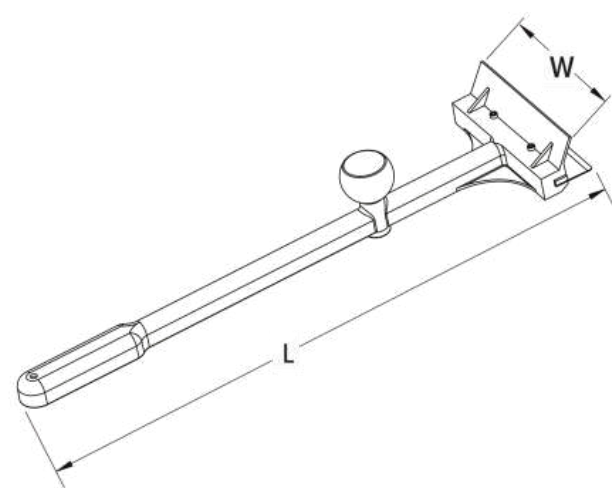

Easily assembles with an Allen wrench and two screws

Tater King™ scooper

When you're preparing steak fries, deep-fried potato skins or twice-baked potatoes, the Tater King scooper from Vollrath is the best tool to get the job done. The unique blade allows you to scoop, skin and wedge four partially baked potatoes in less than a minute, drastically cutting down the prep time of a variety of potato dishes. The blade is adjusted easily, and the handle offers a comfortable grip, ensuring a pleasant user experience.

Scoops, skins and wedges four partially baked potatoes in less than a minute

Helps create deep-fried skins, steak fries, twice-baked potatoes and more

Handle fits comfortably in your hand and minimizes fatigue

Blade can be adjusted with hex wrench

Made in the USA

Cheese Blocker™ cheese cutter

Cut large blocks or wheels of soft cheese into smaller, manageable chunks with the Cheese Blocker cutter by Vollrath. The simple design and strong wire ensure accurate cuts that result in beautiful cheese blocks, which are then ready to be transformed into appetizing cubes, slices or shredded cheese. And the ½-inch measuring increments on the front plate and base help you create accurately sized blocks for consistent, uniform results.

Accommodates soft cheese blocks up to 50 pounds and wheels up to 35 pounds

Not intended for use with hard cheeses or food

Prepares cheese for cubing, slicing and shredding

1/2-inch measuring increments on front plate and base help create accurately sized blocks

NSF-certified
2-year limited warranty

Food Processor Blade Cleaning Brush	4425

1" x 1" Lettuce King™ IV lettuce cutter

Use the Vollrath® Lettuce King IV to cut lettuce faster than ever. The 1" x 1" blades are precise and prevent bruising, allowing you to reduce waste and prepare lettuce days in advance. Cut through whole heads of lettuce at once, or for increased versatility, try cutting other foods like cantaloupe, cucumbers, or even cooked chicken. An optional Lettuce King IV drum ring streamlines the process of chopping large amounts of lettuce by fitting snugly over storage drums. The pusher block and blade assembly can be removed for easy

cleaning, while the manual locking pin on the pusher block maintains safety during use. With wide, angled legs and an ergonomic handle, this cutter is stable, strong and easy to use. This unit's 2-year limited warranty does not include the blades.

Ideal for lettuce, cantaloupe,
cucumbers, chicken and more

Ergonomic handle allows for a steady
grip

Wide-angled legs maintain stability
during use

Rubber feet prevent movement

Optional drum ring fits securely over
20- and 32-gallon Rubbermaid®
Greenskeeper™ storage drums, sold
separately

Sharp, stainless steel 1" x 1" blades
make clean, consistent cuts

Greenskeeper is a trademark of Rubbermaid Commercial Products, LLC

1" x 1" replacement blade assembly for Lettuce King™ IV lettuce cutter

Improve your Vollrath® Lettuce King IV unit with a new blade assembly. Simply replace your current blade assembly with a new one to restore the impressive cutting abilities of the Lettuce King IV. You'll get neat, consistent pieces of lettuce in one quick stroke without any crushing or bruising.

Ideal for lettuce, cantaloupe,
cucumbers, chicken, and more

Stainless steel construction improves
durability

Prevents crushing or bruising, reduces food waste and extends shelf life

Sharp 1" x 1" blades make clean, consistent cuts

King Kutter™ manual food processor with suction cup base and shredder-cut, string-cut, and thin-slice-cut cones

The King Kutter manual food processor by Vollrath might just be the most versatile tool in your kitchen. Designed to shred, string and slice, this easy-to-use manual food processor features strong stainless steel cutting cones that make precise, consistent cuts. The sleek and sturdy design ensures simple operation, and the cutting cones can be swapped quickly

to change the cut style as needed. The suction cup base allows you to place your King Cutter wherever is most convenient, helping you prepare a wide variety of foods with impressive efficiency.

Precise stainless steel edge creates clean, consistent cuts easily and quickly

Simple manual operation means anyone can use it

Suction base allows you to place your King Cutter wherever you need it most and prevents unwanted movement during use

Swap out cutting cones to change cut style

Shredder-cut cone, string-cut cone and thin-slice-cut cone included

2-year limited warranty — does not include blades

1/4-inch-dice Insta Cut® 3.5 manual food processor

Save time and energy with the Insta Cut 3.5 manual food processor by Vollrath. The sharp blades accurately cut fruits and vegetables with one stroke, without causing bruising or waste. The 1/4-inch-dice blade assembly simply pops in and out for easy changing and cleaning, and its speed makes it perfect for any prep kitchen. The sled-leg base design on this tabletop model offers exceptional stability, and suction feet prevent unwanted movement.

Easily cuts a variety of fruits and vegetables

Not intended for hard root vegetables like carrots

Corrosion-resistant blades never need to be adjusted and provide years of service

Sled-leg aluminum base and stainless steel rods are strong, sturdy and reliable

Suction feet prevent sliding

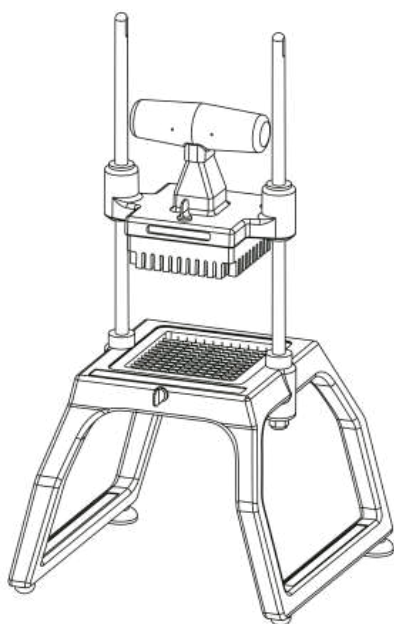

Blade assembly pops in and out for easy cleaning

Additional blade sets, such as corers or wedgers, are sold separately for added versatility

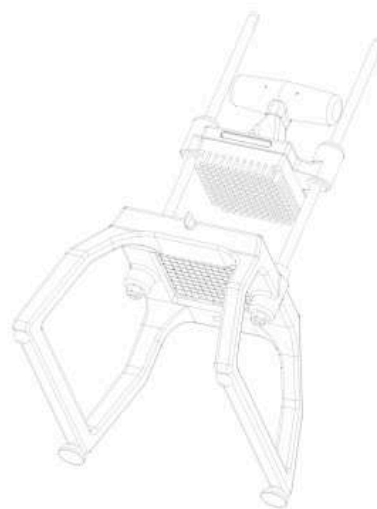

NSF-certified

2-year limited warranty — does not include blades

6-section-wedge Insta Cut® 3.5 manual food processor

Save time and energy with the Insta Cut 3.5 manual food processor by Vollrath. The sharp blades accurately cut fruits and vegetables with one stroke, without causing bruising or waste. The 6-section-wedge blade assembly simply pops in and out for easy changing and cleaning, and its speed makes it perfect for any prep kitchen. The sled-leg base design on this tabletop model offers exceptional stability, and suction feet prevent unwanted movement.

Easily cuts a variety of fruits and vegetables

Not intended for hard root vegetables like carrots

Corrosion-resistant blades never need to be adjusted and provide years of service

Sled-leg aluminum base and stainless steel rods are strong, sturdy and reliable

Suction feet prevent sliding

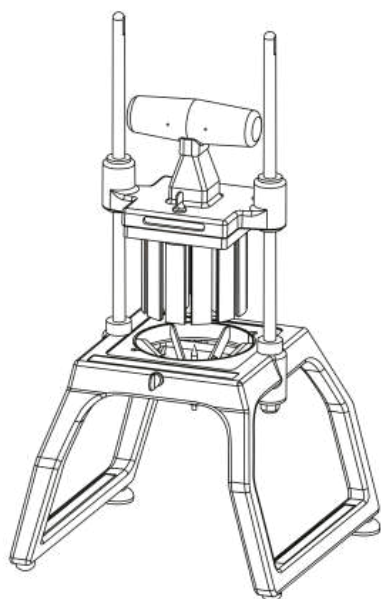

Blade assembly pops in and out for easy cleaning

Additional blade sets, such as dicers or corers, are sold separately for added versatility

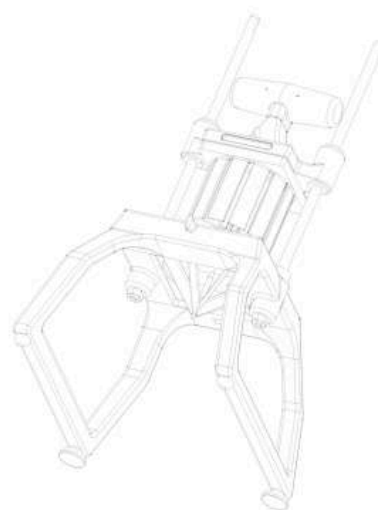

NSF-certified

2-year limited warranty — does not include blades

1/2-inch-dicer Insta Cut® 3.5 wall-mount manual food processor for fruits and vegetables

Save time and energy with the Insta Cut 3.5 dicer by Vollrath. This sturdy dicer cuts fruits and vegetables accurately with one stroke, without causing bruising or waste, thanks to the sharp blades. The 1/2-inch dicer blade simply pops in and out for easy changing and cleaning, and its speed makes it perfect for any prep kitchen. The wall-mount design saves space and prevents any unwanted movement.

Sharp blades cut a variety of fruits and vegetables without causing bruising or waste

Not intended for hard root vegetables like carrots

Thermoset, corrosion-resistant blade assembly doesn't need to be adjusted

Wall-mount design saves space and prevents unwanted movement

Blade assembly pops in and out for quick changing and cleaning

Additional blades, such as corers or wedgers, are sold separately for added versatility

NSF-certified

Captive fasteners stay put, so they won't get misplaced or lost in food items

2-year limited warranty — does not include blades

PUSH-ON RETAINING WASHER	351442-1

Pusher block and ¼" x ½" dice replacement blade assembly for wall-mounted Insta Cut® 3.5 manual food processor

Add some variety to your wall-mounted Insta Cut 3.5 manual food processor with these accessories by Vollrath. This set comes with a pusher block and interchangeable ¼" x ½" dice blade assembly. The sharp blades promise a clean cut in one quick stroke, allowing you to prepare a variety of fruits and vegetables with ease and accuracy.

Sharp blades cut a variety of fruits and vegetables without causing bruising or waste

Not intended for hard root vegetables like carrots

Sturdy pusher block provides years of service

Thermoset, corrosion-resistant blade assembly doesn't need to be adjusted

Blade assembly pops in and out for quick changing and cleaning

Use with your wall-mounted Insta Cut 3.5 manual food processor

7/32-inch scalloped InstaSlice™ fruit and vegetable slicer

Save time and energy with the InstaSlice fruit and vegetable slicer by Vollrath. This sturdy slicer cuts tomatoes, mushrooms and other fruits and vegetables accurately with one stroke, without causing bruising or waste. The hardcoat pusher head fingers resist corrosion, even when regularly exposed to acidic foods like tomatoes, and the 7/32-inch slicing blade simply pops in and out for easy changing and cleaning. Its speed makes this unit perfect for any prep kitchen.

Cuts a variety of fruits and vegetables with ease

Large slicing area accommodates tomatoes up to 3.5-inches in diameter

Corrosion-resistant blades don't need to be adjusted and provide years of service

Detachable table stop prevents the unit from moving during use

Sled-leg aluminum base and stainless steel rods are strong, sturdy and reliable

Scalloped blades slice without prescoring the skin

Blades pop in and out for easy cleaning

Additional straight-blade sets are sold separately for added versatility

All-purpose petrol gel lubricant for manual food processors

The all-purpose petrol gel by Vollrath is the perfect companion for your manual food processor. This lubricant is tasteless, odorless and will not taint when coming into contact with foods. It's impervious to water, and a little goes a long way. With this petrol gel lubricant, you'll keep your manual food processor running smoothly.

Designed to lubricate all manual food processors

Tasteless and odorless

Impervious to water

7/32-inch straight InstaSlice™ fruit and vegetable slicer

Save time and energy with the InstaSlice fruit and vegetable slicer by Vollrath. This sturdy slicer cuts tomatoes, mushrooms and other fruits and vegetables accurately with one stroke, without causing bruising or waste. The hardcoat pusher head fingers resist corrosion, even when regularly exposed to acidic foods like tomatoes, and the 7/32-inch-slice blade assembly simply pops in and out for easy changing and cleaning. Its speed makes this unit perfect for any prep kitchen.

Cuts a variety of fruits and vegetables with ease

Large slicing area accommodates tomatoes up to 3.5-inches in diameter

Corrosion-resistant blades don't need to be adjusted and provide years of service

Detachable table stop prevents the unit from moving during use

Sled-leg aluminum base and stainless steel rods are strong, sturdy and reliable

Strong blades slice without prescoring the skin

Blade assembly pops in and out for easy cleaning

Additional scalloped-blade sets are sold separately for added versatility

3/8-inch-slice straight replacement blade assembly for InstaSlice™ fruit and vegetable slicer

Add some variety to your InstaSlice fruit and vegetable slicer with this $\frac{3}{8}$ -inch-slice straight replacement blade assembly by Vollrath. Simply replace your current blade, or if you have the appropriate pusher head, swap this one with another to change your blade from scalloped to straight. You'll get a clean slice in one quick stroke, allowing you to accurately prepare a variety of fruits and vegetables.

Cuts a variety of fruits and vegetables with ease

Use with your InstaSlice unit for added versatility

Corrosion-resistant blades don't need to be adjusted and provide quick, clean cuts

Strong blades slice without prescoring the skin

Blade assembly pops in and out for easy cleaning

E-Z juice extractor

Create flavorful, fresh-squeezed juice with the E-Z juice extractor by Vollrath. Thanks to an ergonomically designed handle that offers impressive leverage, you'll be able to juice limes, lemons and oranges with ease. This heavy-duty juicer features a strong, cast-iron base and is designed for maximum output, helping you speed the juicing process and reduce waste, making it perfect for bars, smoothie stands and more.

Designed to juice lemons, limes and oranges

Ergonomically designed handle offers superior leverage for maximum juice output

Heavy-duty enamel-coated cast-iron base will last for years

Rubber feet prevent unwanted movement

Compact size saves space on any countertop

3/8-inch-cut french fry potato cutter

Save time and energy with the Vollrath® french fry potato cutter. This sturdy unit makes accurate 3/8-inch-cuts with one stroke of the sure-grip handle, without causing bruising or waste. The cast-iron body and handle will last for years, while the nickel plating prevents corrosion. A stainless steel “V” trough guarantees a smooth cut and makes cleaning simple. Screw holes in the base of this unit allow for counter or wall mounting to prevent movement and ensure stability. The unique design of this french fry potato cutter is perfect for any prep kitchen.

Effortlessly cuts potatoes into french fry shape

Stainless steel “V” trough ensures accurate cuts and is easy to clean

Durable cast-iron body and handle, with corrosion-resistant nickel plating, allow for years of use

Long, sure-grip handle makes cutting easy and efficient

Additional blade sets are sold separately for added versatility

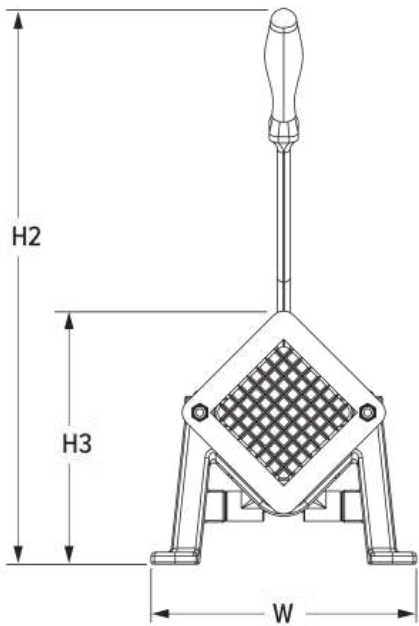

6 $\frac{3}{8}$ -inch height opening fits a variety of potato sizes

Extra blades available

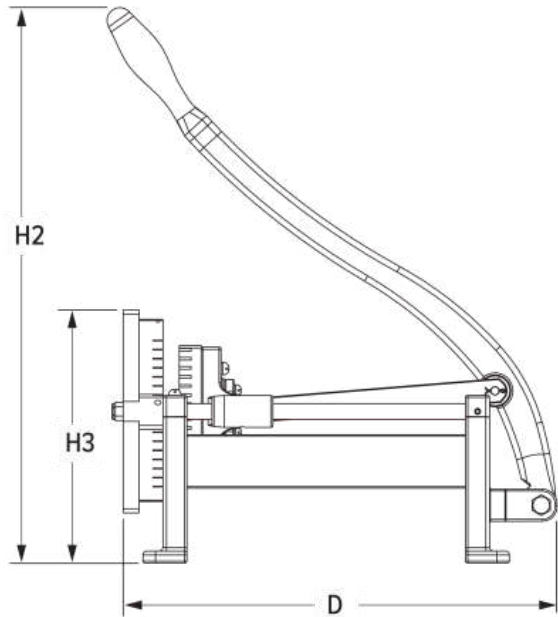

6-3/8" (16 cm) height opening for vegetable

This pop-in, pop-out replacement blade assembly is easy to change and clean, while the sharp blades promise a clean cut in one quick stroke, prevent bruising and waste, and allow you to maximize efficiency while preparing a variety of fruits and vegetables.

Sharp blades cut a variety of fruits and vegetables without causing bruising or waste

Sturdy T-handle and pusher block provide years of service

Thermoset, corrosion-resistant blade assembly doesn't need to be adjusted

Blade assembly pops in and out for quick changing and cleaning

Use with your Insta Cut 5.1 manual food processor
