Full-size Super Pan V[®] stainless steel wire cooling grate

The only full stainless steel grate in the industry, this full-size rack is ideal for elevating food off a full-size steam table or sheet pan, so there's less baked-on food and less cleanup. It's also great for cooling baked goods on a countertop. Its stainless steel construction ensures years of heavy use, while preventing rust, peeling or cracking. The footed design elevates the grate off the pan or countertop for improved air circulation.

Heavy-duty 22-gauge 300-Series stainless steel

Ample finger room for easy removal

Ideal as a roasting, cooling, icing,
displaying or drying rack

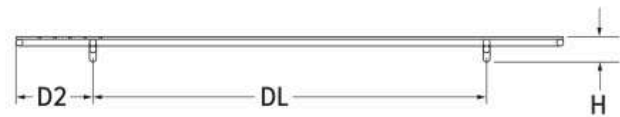

Fits select full-size steam table pans

Minimizes rust

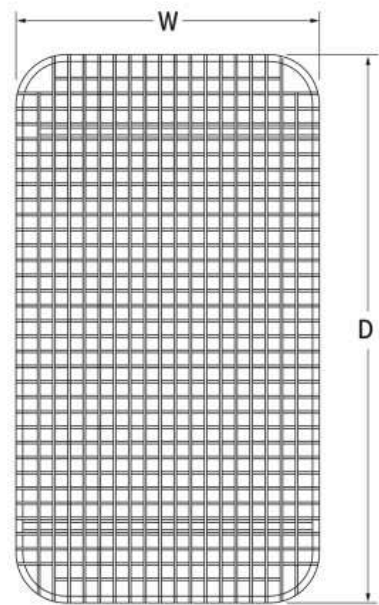

Oven-safe

Half-long-size Super Pan V® stainless steel false bottom

The Super Pan V false bottom by Vollrath is a quick addition to your steam table pan that can improve food quality drastically. The perforations allow liquid to drain, preventing food from getting soggy or oversaturated. This false bottom raises food up, keeping it more visible and easier to reach, which makes serving easy and convenient. The stainless steel is durable and long-lasting, offering years of service.

Heavy-duty 22-gauge 300-Series stainless steel is durable and long-lasting

Perforations allow liquid to drain, preventing sogginess or oversaturation

Added height makes serving easier
and more convenient

Finger holes ensure easy removal

Fourth-size Super Pan V[®] stainless steel false bottom

The Super Pan V false bottom prevents soggy or oversaturated food while serving. The perforations allow liquid to drain away quickly, maintaining food quality and reducing waste, while holding food in an elevated position that offers better visibility and access during serving. The stainless steel construction is durable and long-lasting, and finger holes ensure easy removal when needed.

Third-size Super Pan® high-temperature plastic false bottom in amber

The Super Pan false bottom by Vollrath is a quick addition to your steam table pan that can improve food quality drastically. The perforations allow liquid to drain, preventing food from getting soggy or oversaturated. This false bottom raises food up, keeping it more visible and easier to reach, which makes serving easy and convenient. The high-temperature amber resin construction is approved for temperatures between -40°F and 375°F, making it ideal for a wide range of applications.

High-temperature amber resin construction is strong and durable

Approved for temperatures between -40°F and 375°F

Perforations allow liquid to drain, preventing sogginess or oversaturation

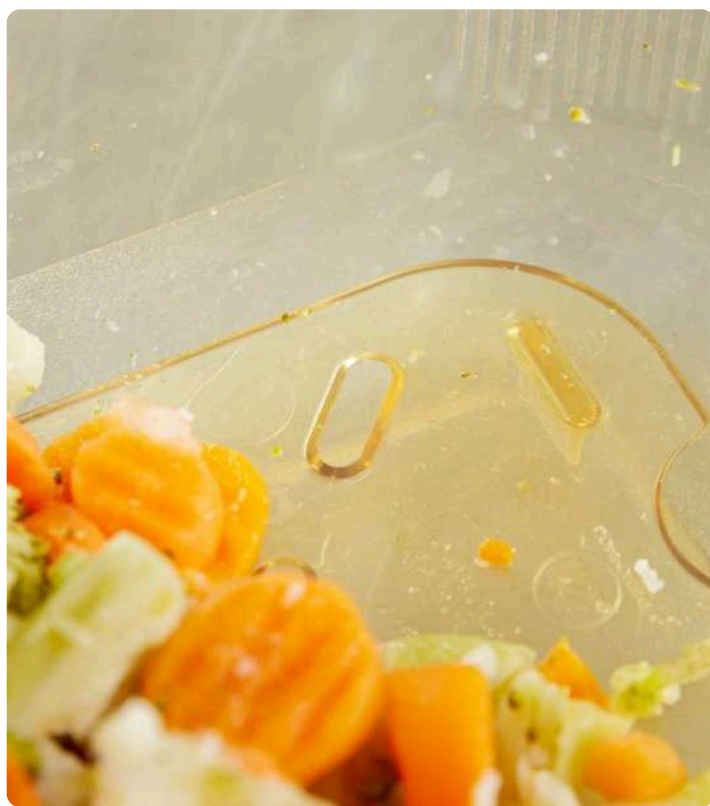

Added height makes serving easier and more convenient

Finger holes ensure easy removal

Not recommended for oven use

Full-size PanaMax stainless steel universal dome cover

With a universal design that fits any full-size chafers or well, the PanaMax dome cover is a valuable, versatile choice. The strong stainless steel promises years of use, while the low-profile design and smooth mirror finish create a sleek look. An ergonomic nylon handle offers a comfortable grip and is heat-resistant up to 475°F, making this universal cover perfect for your hot-food lineup.

Stainless steel construction is durable and long-lasting

Mirror finish creates an elegant appearance

Ergonomic nylon handle offers a comfortable grip and is heat-resistant up to 475°F

Sleek patented design adds functional beauty to your operation

Universal cover fits any full-size chafer or well

Full-size Super Pan 3[®] stainless steel wire cooling grate

This 300 series stainless steel grate is ideal for elevating food off a full-size steam table or sheet pan, so there's less baked-on food and less cleanup. It's also great for cooling baked goods on a countertop. Its stainless steel construction ensures years of heavy use, while preventing rust, peeling or cracking. The footed design elevates the grate off the pan or countertop for improved air circulation.

Heavy-duty 22-gauge 300-Series stainless steel

Ample finger room for easy removal

Ideal as a roasting, cooling, icing,
displaying or drying rack

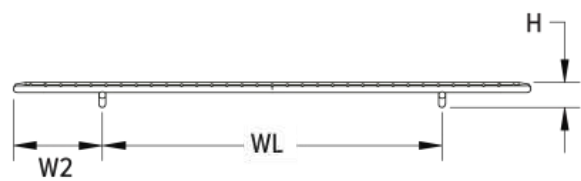

Fits select full-size steam table pans

Minimizes rust

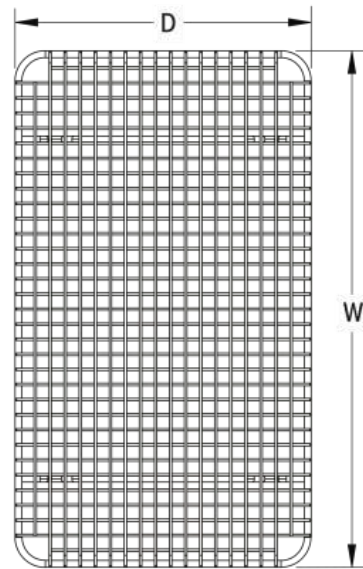

Oven-safe
