Cheese & Vegetable slicer attachment set for mixer

Turn your mixer into a multi-functional workstation with the vegetable slicer attachment by Vollrath. Included with the slicer attachment, a 5/16-inch shredder blade and a 3/16-inch slicing blade, making it ideal for efficiently shredding cheese, slicing vegetables, and preparing a wide variety of ingredients. The versatile shredder is perfect for high-volume cheese preparation, while the slicer provides consistent, precise vegetable cuts. It's easy to use, allows you to maximize space and improve productivity, making it perfect for a wide range of commercial kitchens.

Turn your mixer into a shredder and slicer

Comes with the slicer attachment, a 5/16-inch shredder blade and a 3/16-inch slicing blade

Simple operation makes it easy to use

Maximizes space, productivity and versatility

No. 12 meat grinder attachment for mixers

Increase the versatility of your Vollrath® floor or bench mixer with the meat grinder attachment. This attachment easily fits onto the front No. 12 hub of your mixer, quickly converting it into a meat grinder. With ½-inch and 5/16-inch grinder plates, as well as a feed pan, you have everything you need to successfully grind a variety of meats without purchasing a separate grinder.

Ideal for grinding a variety of meats with your Vollrath mixer

Easily attaches onto the No. 12 front hub of your mixer for quick conversion

Fits all Vollrath commercial floor and bench mixers

Meat grinder head attachment for No 12. hub with 1/8" (32mm) and 5/16" (79 mm) grinder plates

7-quart 110- to 120-volt countertop mixer with safety guard

The Vollrath® 7-quart countertop mixer is an impressive, commercial-grade machine. Featuring a $\frac{1}{3}$ -motor and a five-speed direct-drive transmission, this mixer is powerful and built for continuous use. The digital control panel allows for easy speed adjustments during mixing, and a 30-minute timer with automatic shutoff keeps track of mixing time. This item comes with all the accessories required for operation, and the compact design is perfect for transportation or kitchens with limited space.

Efficiently mixes, whips, and beats a variety of foods

Digital control panel is easy to read and allows speed adjustments while in use for convenience

Nonskid rubber base prevents movement

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included

International models have CE certification only

$\frac{1}{3}$ -motor provides plenty of power for efficient mixing

7-quart mixing bowl included

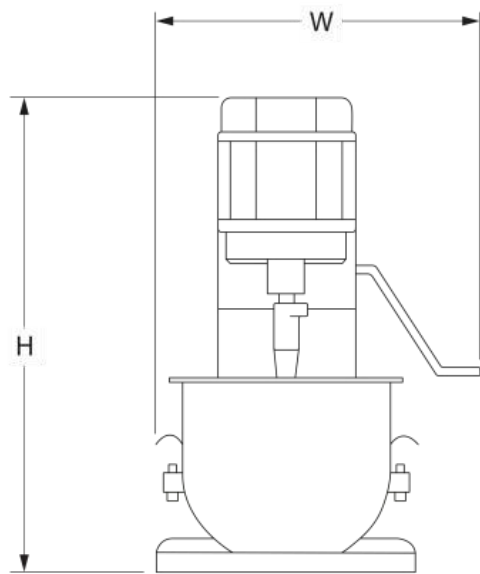

“This 7 quart mixer combines sturdy build, small footprint and light weight into a single beautiful package. The problem with most mid sized countertop mixers is that they are too heavy and too big. The Vollrath 7 quart mixer is neither heavy nor large. It’s small and portable and built with Vollrath’s legendary strength.”

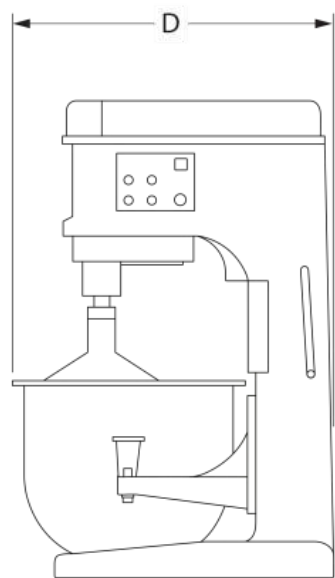

Erling Wu-Bower Executive Chef/Co-Owner -
Pacific Standard Time

20-quart 110- to 120-volt bench mixer with safety guard

The Vollrath® 20-quart bench mixer is built tough, promising years of reliability and durability. It features a 3-speed belt drive, allowing you to mix a variety of products at the appropriate speed. The 30-minute timer automatically turns the mixer off for ultimate convenience. This mixer comes with all the accessories required for operation, as well as a safety guard to prevent accidental injury. Strong legs maintain stability while black feet prevent movement during use. If you want to expand your mixer's versatility to include grinding and slicing, a No. 12 Hub can accommodate the appropriate Vollrath attachments.

Efficiently mixes, whips and beats a variety of foods

Safety cut-off interrupts power if gears are changed while the mixer is in use, preventing gear damage and extending the life of this unit

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included

Meat grinder and vegetable slicer attachments are available for added versatility — for best results Vollrath attachments are recommended

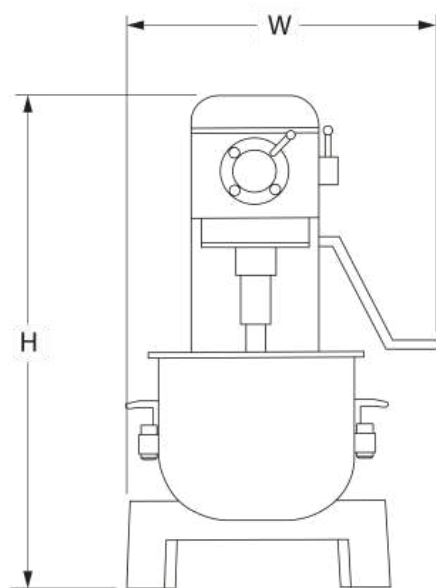

International models have CE certification only

30-minute timer automatically stops unit when time is up

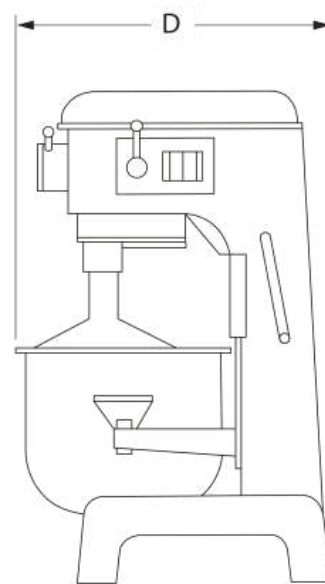

3-speed belt drive is built for years of service

20-quart mixing bowl included

40-quart 208- to 240-volt floor mixer with safety guard

The Vollrath® 40-quart floor mixer is built tough, promising years of reliability and durability. It features a 3-speed belt drive, allowing you to mix a variety of products at the appropriate speed. The 30-minute timer automatically turns the mixer off for ultimate convenience. This mixer comes with all the accessories required for operation, as well as a safety guard to prevent accidental injury. Strong legs maintain stability while black feet prevent movement during use. If you want to expand your mixer's versatility to include grinding and slicing, a No. 12 hub can accommodate the appropriate Vollrath attachments.

Efficiently mixes, whips and beats a variety of foods

Safety cut-off interrupts power if gears are changed while the mixer is in use, preventing gear damage and extending the life of this unit

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included

Meat grinder and vegetable slicer attachments are available for added versatility — for best results Vollrath attachments are recommended

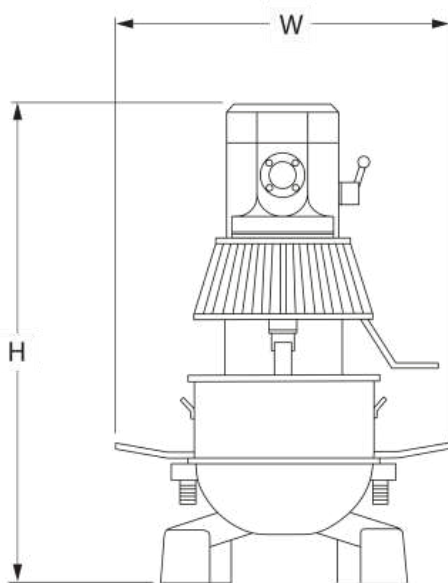

International models have CE certification only

30-minute timer automatically stops unit

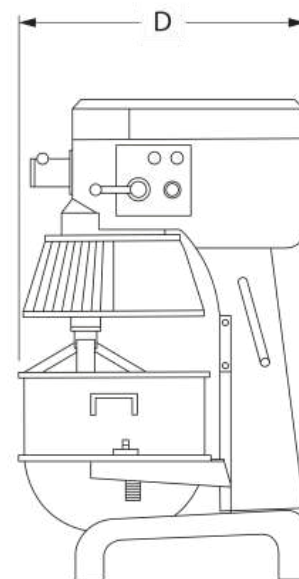

3-speed belt drive is built for years of service

40-quart mixing bowl included

7-quart 220- to 230-volt countertop mixer with safety guard and Schuko plug

The 7-quart countertop mixer by Vollrath is an impressive, commercial-grade machine. Featuring a $\frac{1}{3}$ -HP motor and a five-speed direct-drive transmission, this mixer is powerful and built for continuous use. The digital control panel allows for easy speed adjustments during mixing, and a 30-minute timer with automatic shutoff keeps track of mixing time. This item comes with all the accessories required for operation, and the compact design is perfect for transportation or kitchens with limited space.

- Efficiently mixes, whips, and beats a variety of foods

Digital control panel is easy to read and allows speed adjustments while in use for convenience

Nonskid rubber base prevents movement
- Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included

International models have CE certification only

1⁄3-HP motor provides plenty of power for efficient mixing

6-foot cord and Schuko plug

20-quart 220- to 230-volt bench mixer with safety guard and Schuko plug

The 20-quart bench mixer by Vollrath is built tough, promising years of reliability and durability. It features a 3-speed belt drive, allowing you to mix a variety of products at the appropriate speed, and the 30-minute timer automatically turns the mixer off at the end of the cycle. This mixer comes with all the accessories required for operation, including a safety

guard to prevent accidental injury. Strong legs maintain stability while black feet prevent movement during use. If you want to expand your mixer’s versatility to include grinding and slicing, a No. 12 Hub can accommodate the appropriate Vollrath attachments.

- Efficiently mixes, whips and beats a variety of foods

Safety cut-off interrupts power if gears are changed while the mixer is in use, preventing gear damage and extending the life of this unit

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included
- Meat grinder and vegetable slicer attachments are available for added versatility — for best results Vollrath attachments are recommended

International models have CE certification only

30-minute timer automatically stops unit when time is up

3-speed belt drive is built for years of service

6-foot cord and Schuko plug

20-quart 220- to 230-volt bench mixer with safety guard and Australian plug

The 20-quart bench mixer by Vollrath is built tough, promising years of reliability and durability. It features a 3-speed belt drive, allowing you to mix a variety of products at the appropriate speed, and the 30-minute timer automatically turns the mixer off at the end of the cycle. This mixer comes with all the accessories required for operation, including a safety

guard to prevent accidental injury. Strong legs maintain stability while black feet prevent movement during use. If you want to expand your mixer’s versatility to include grinding and slicing, a No. 12 Hub can accommodate the appropriate Vollrath attachments.

- Efficiently mixes, whips and beats a variety of foods

Safety cut-off interrupts power if gears are changed while the mixer is in use, preventing gear damage and extending the life of this unit

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included
- Meat grinder and vegetable slicer attachments are available for added versatility — for best results Vollrath attachments are recommended

International models have CE certification only

30-minute timer automatically stops unit when time is up

3-speed belt drive is built for years of service

6-foot cord and Australian plug

60-quart 220- to 230-volt floor mixer with safety guard and cord with stripped ends for customer-supplied plug or direct wiring

The 60-quart floor mixer by Vollrath is built tough, promising years of reliability and durability. It features a 3-speed belt drive, allowing you to mix a variety of products at the appropriate speed, and the 30-minute timer automatically turns the mixer off at the end of the cycle. This mixer comes with all the accessories required for operation, as well as a bowl truck for easy transport and a safety guard to prevent accidental injury. Strong legs maintain stability while black feet prevent movement during use. If you want to expand your mixer’s versatility to include grinding and slicing, a No. 12 hub can accommodate the appropriate Vollrath attachments.

Efficiently mixes, whips and beats a variety of foods

Safety cut-off interrupts power if gears are changed while the mixer is in use, preventing gear damage and extending the life of this unit

Stainless steel mixing bowl, dough hook, wire whisk, flat beater and safety guard included

Meat grinder and vegetable slicer attachments are available for added versatility — for best results Vollrath attachments are recommended

International models have CE certification only

30-minute timer automatically stops unit

3-speed belt drive is built for years of service

6-foot cord with stripped ends for direct wiring or customer-supplied plug

Floor Mixers 60 Qt

Vollrath's new line of Mixers are a standard-setting advance in value: all the features, all the workhorse durability, and all the Vollrath service, reliability, and reputation in one tough range of Mixers, ready to keep you mixing strong, serving long.

Three speed belt driven

Safety cut-switch temporarily interrupts power if gears are changed without stopping the mixer

60 qt model includes bowl truck for convenient bowl transport

Number 12 hub accommodates Vollrath Meat Grinder and Vegetable Slicer attachments for flexibility between grinding, slicing, and mixing. For best results Vollrath attachments are recommended.

Comes standard with: Dough hook, Wire whisk, Flat beater, Stainless steel mixing bowl, Safety guard

All mixers feature a 30 minute timer - mixer automatically stops when timer ends

International models have CE certification only
