Stainless steel adaptor plate with three 6 ½-inch round cutouts for thermoset steam table well

With the adaptor plate by Vollrath, it's easy to transform your steam table to fit your needs. This adaptor plate fits a thermoset steam table well and features three 6 ½-inch round cutouts that are perfect for insets or bains-marie. The strong stainless steel creates a polished look, prevents spills and stops steam from escaping for impressive energy efficiency.

300-Series stainless steel is durable and long-lasting

Smooth design looks sleek and is easy to clean

Fits standard steam table openings

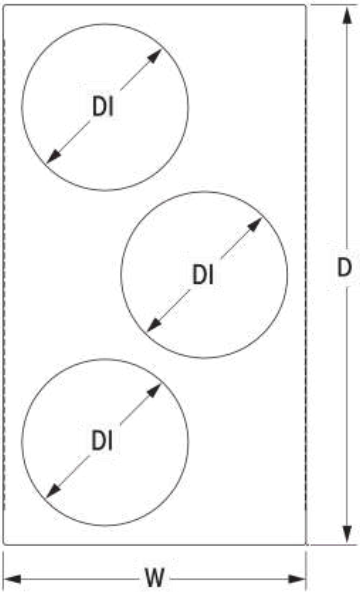

Holds three 6 ½-inch insets

Designed specifically for thermoset well
