5-Series insulated tower bag with backpack straps, headrest strap, power pack charger, heat pad, 120-volt power cord and 12-volt portable power cord

The 5-Series insulated tower bag by Vollrath makes delivering large orders a breeze. This high-capacity delivery bag features a tall, sturdy design that maximizes space, and high-performance insulation maintains perfect serving temperatures. The high-quality, moisture-resistant outer shell protects the food items from the elements, while the included heat pad allows you to preheat your bag, keep food warmer and extend your delivery radius. And the battery power pack offers additional heat on the go, with five versatile heat settings for even better temperature and quality control. Nylon zipped PVC window pockets are perfect for storing order slips, menus, brochures, delivery instructions, custom branding and more. Reflective piping ensures safer nighttime delivery, while adjustable backpack straps, headrest straps and plastic side handles help you lift and carry this bag with ease. When it's no longer needed, this tower bag collapses easily for convenient storage.

Tall, tower-style, high-capacity delivery bag with impressive insulation for convenient, quality food delivery

High-performance insulation maintains food temperature and quality

Power pack features five heat settings for impressive temperature and quality control on the go

Heat pad allows you to preheat your bag, keep food warmer and extend your delivery radius

Durable, high-quality, moisture-resistant outer shell protects food from the elements

Nylon zipped PVC window pockets are perfect for storing order slips, menus, brochures, delivery instructions, custom branding and more

Metal steam exhaust vent releases moisture without releasing heat

Adjustable backpack straps, headrest straps and plastic side handles help you lift and carry with ease

Reflective piping for safer nighttime delivery

Reinforced stitching prevents tears and rips

Customization available

120-volt power cord for heat pad included

12-volt power cord allows you to recharge your heat pad in a vehicle

Optional removable wire frame insert (Vollrath® item number VTBWR-1) creates adjustable shelves and provides additional structure and support

## 3-Series insulated tower bag with wire insert, backpack straps and headrest strap

Deliver a top-quality dining experience by transporting medium-to-large food orders in this 18" x 22" x 17" black insulated nylon tower bag with backpack and headrest straps. Perfect for large orders, this tower bag holds up to ten 14- or 16-inch pizzas or 16-inch round deli trays or five half-size sheet pans with covers. An outer nylon shell protects food from the elements, and locking clips keep product secure beneath the zippered sides. Strong adjustable double handles and backpack straps make it easy to lift and carry, and a sturdy

bottom provides extra stability. Attach the headrest strap to the car seat for secure transport. Deliveries on foot, bike or scooter are safer at night with reflective piping, and the anchor strap secures the bag to the bike or scooter.

The knockdown wire rack's compartments accommodate a single box per shelf for even weight distribution and damage prevention. The bag and rack are both easily collapsible for compact storage. To preserve product freshness, a metal steam exhaust port eliminates condensation.

Reinforced stitching provides durable performance, and 1-inch-thick poly batting insulation on all sides, paired with a moisture-absorbent 8-millimeter-thick foil liner, keeps food at a consistent temperature. A large PVC window pocket lets you show off your brand or stash order slips, menus or delivery instructions. Pair this pizza bag with other Vollrath catering bags, tower bags and backpacks to meet all delivery and catering needs.

Holds up to ten 14- or 16-inch pizza boxes

Special anchor strap enables your staff to secure the bag to a bike or scooter tray

Wire rack adds shelves and is easily collapsible for compact storage to maximize limited space

Easily collapsible for compact storage to maximize limited space

High-performance 1-inch-thick poly batting insulation on all sides extends your delivery range

Transparent window displays your company's logo or stores menus, coupons and business cards

Headrest strap secures the bag to your car seat headrest during transport

5-Series insulated tower bag with wire insert, backpack straps, headrest strap, heating pad and power pack

Deliver a top-quality dining experience by transporting medium-to-large food orders in this 23" x 15" x 14" tower bag with wire insert, backpack and headrest straps, heating pad and power pack. The innovative heating pad preheats the bag to ensure your product is delivered piping hot and extends your delivery radius. Just plug it into the wall outlet with the included 120-volt A/C power cord, and select the temperature to preheat the bag. Once heated, load your hot food into the bag, unplug it and go. Continually heat the bag during transport using a lithium ion battery power pack, which has five heat settings for flexible food quality control.

Perfect for large orders, this bag can hold up to ten 14- or 16-inch pizzas or 16-inch round deli trays or five half-size sheet pans with covers. An outer nylon shell protects food from the elements, and locking clips keep product secure beneath the zippered sides.
