Two-sided bulk unwrapped straw dispenser in red

Reduce wrapper waste and save money with the Vollrath® two-sided bulk unwrapped straw dispenser. With heavy-gauge metal housing, a plastic lid, and a plastic dispensing bar, it's durable and easy to use. Storing 500 straws at one time, this two-sided design saves you from constant refills. The dispensing bar makes straws easily accessible while maintaining sanitation. The simple red finish adds a retro feel to your counters or tabletops.

Fits straws with a diameter of .230 to .265 inches and a length of 7 ½ to 8¾ inches

Easily load up to 500 unwrapped straws to prevent constant refilling

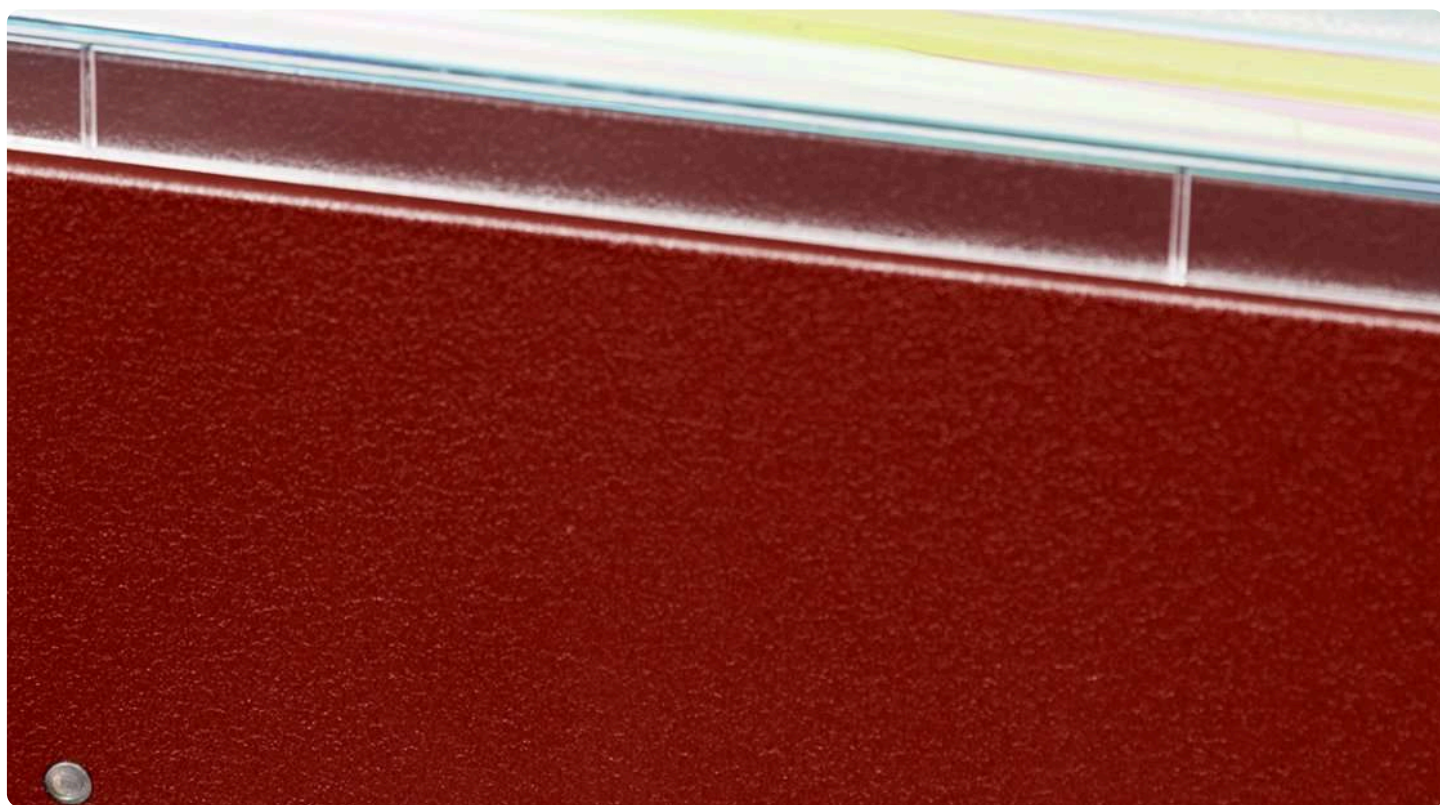

Dispensers feature a heavy gauge metal housing with plastic lids and dispensing bars

Strong translucent-plastic lid makes it easy to know when to reload

Two-sided design allows you to service multiple customers at once

Patented dispensing mechanism for bulk straws allows one-at-a-time dispensing and keeps straws sanitary

Unwrapped straw dispensers reduce waste and save money

One-sided bulk unwrapped-straw dispenser in black for .230- to .265-inch-diameter straws

Reduce wrapper waste and save money with the one-sided bulk unwrapped-straw dispenser by Vollrath. Thanks to the heavy-gauge metal housing, a plastic lid and a plastic dispensing bar, it's durable and easy to use. The dispensing bar makes straws easily accessible while

maintaining sanitation, and the simple black finish blends with any of your counters or tabletops.

Fits straws with a diameter of .230 to .265 inches and a length of 7 1/2 to 8 1/4 inches

Dispensers feature a heavy-gauge metal housing with plastic lids and dispensing bars

Strong clear-plastic lid makes it easy to know when to reload

Load up to 500 unwrapped straws to prevent constant refilling

Patented dispensing mechanism for bulk straws allows one-at-a-time dispensing and keeps straws sanitary

Made in the USA

Unwrapped-straw dispensers reduce waste and save money

Two-sided vertical tabletop napkin dispenser in black with chrome faceplate

Ensure quick, convenient napkin access with the two-sided tabletop napkin dispenser by Vollrath. Thanks to the heavy-gauge metal housing and a strong chrome faceplate, it's durable and easy to use. The overload protection feature prevents tearing and reduces waste, while the spring-loaded design ensures easy refilling and dispensing. The classic black color makes this napkin dispenser a sleek addition to any table.

- Fits 3 ½" x 5" napkins

Easily load up to 100 napkins to prevent constant refilling

Durable heavy-gauge metal housing and strong chrome faceplate promise years of use
- Overload protection prevents tearing, reducing napkin waste

Easy-to-load design saves time

Made in the USA

Two sided tabletop lowfold napkin dispenser with walnut woodgrain housing

Help control waste while creating an attractive display with this walnut two sided tabletop napkin dispenser. It easily holds up to (100) 3 1/2" x 5" lowfold napkins. Featuring a walnut wood grain style, heavy metal housing, this dispenser is both durable and easy to load for

maximum convenience. Its shiny metallic plastic faceplate mimics the look of chrome for an attractive look. Plus, its locking system prevents customers from removing large amounts of napkins at once.

Holds (100) 3 1/2" x 5" napkins

Walnut woodgrain metal housing

Dispenser openings on both sides for convenient access

Locking system prevents patrons from pulling out too many napkins at once

Easy to load

Adjustable stainless steel cup dispenser for 4- to 12-ounce cups with 2 ½- to 3 ½-inch diameter

Keep your paper, plastic or foam cups organized and available at all times with the adjustable cup dispenser by Vollrath. With a sleek dial adjustment, this cup dispenser is easy to use and ensures a perfect fit. The strong stainless steel construction is perfect for constant use, while the streamlined design provides easy access, maintains sanitation and

reduces waste by ensuring one-at-a-time dispensing. You can use this dispenser in your ABS or stainless steel cabinets, or it can be mounted seamlessly into any self-service drink counter.

Dispenses 4- to 12-ounce paper, plastic and foam cups with 2 ½- to 3 ½-inch diameter

Stainless steel grips promise one-at-a-time dispensing

Easy-to-use dial adjustment ensures perfect fit

Each unit comes with two springs that can be interchanged depending on the cup type, so any cup is properly dispensed

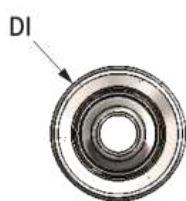

Can be used in stainless steel or ABS cabinets

Mounts horizontally or vertically in counter for added versatility

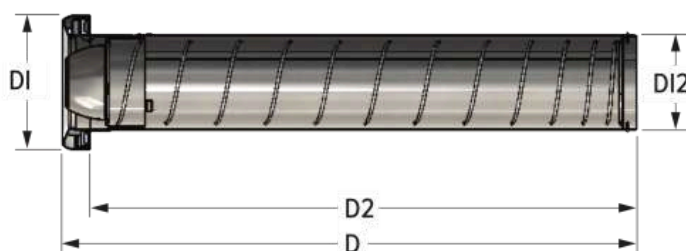

Designed to provide easy access, maintain sanitation and reduce waste

NSF-certified

Adjustable stainless steel cup dispenser for 8- to 24-ounce cups with 3- to 3 7/8-inch diameter

Keep your paper, plastic or foam cups organized and available at all times with the adjustable cup dispenser by Vollrath. With a sleek dial adjustment, this cup dispenser is easy to use and ensures a perfect fit. The strong stainless steel construction is perfect for constant use, while the streamlined design provides easy access, maintains sanitation and

reduces waste by ensuring one-at-a-time dispensing. You can use this dispenser in your ABS or stainless steel cabinets, or it can be mounted seamlessly into any self-service drink counter.

Dispenses 8- to 24-ounce paper, plastic and foam cups with 3- to 3 7/8-inch diameter

Stainless steel grips ensure one-at-a-time dispensing

Easy-to-use dial adjustment ensures perfect fit

Each unit comes with two springs that can be interchanged depending on the cup type, ensuring that any cup is properly dispensed

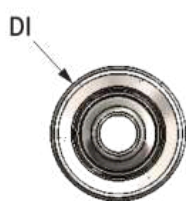

Can be used in stainless steel or ABS cabinets

Mounts horizontally or vertically in counter for added versatility

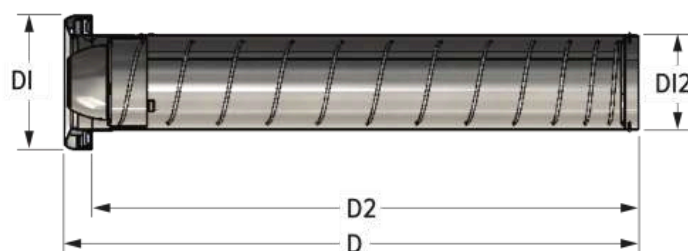

Designed to provide easy access, maintain sanitation and reduce waste

NSF-certified

PRODUCT **ACCESSORIES**

Name	Item #
Replacement straw holder for horizontal lid organizer	SH-1

Countertop napkin dispenser with 14-compartment cup, lid and condiment organizer

This combined napkin dispenser and cup, lid and condiment organizer by Vollrath transforms your counter into a one-stop self-service station. The ABS plastic and smoked-acrylic construction is equally sleek and durable, promising years of use, and the napkin dispenser features overfill protection for stress-free operation and refilling. The unique design

maximizes counter space by stacking your condiments on top of your napkin dispenser, keeping everything within reach. The slanted design offers a clear view of items while preventing them from falling out, making self-service easy and more sanitary.

Fits napkins with dimensions of 5" x 6 ½" or 5 ¼" x 6 ½"

Holds 100 napkins

Napkin dispenser features overflow protection

Two compartments sized for cups and lids and 12 compartments sized for condiments including salt, sugar, ketchup, mustard and more

Vertical-stacked design maximizes space

Slanted compartments offer visibility, prevent items from falling out and save valuable counter space

Provides easy access to napkins, cups, lids and condiments at your self-service station

Made in the USA

Three-column vertical flush-mount T-shaped lid holder with straw holder in black

The flush-mount lid holder by Vollrath is an excellent choice for any high-traffic drink station. Simple and easy to use, this lid holder accommodates both hot and cold drink lids in a variety of designs. Three vertical lid columns mean you can offer higher volumes of your most popular lid or provide a range of options, and the straw holder at the bottom maximizes

space and offers additional convenience. The flush-mount design can be installed in your counter or cabinet, while the mar- and fingerprint-resistant plastic construction reduces cleaning time and maintains a sleek appearance in your service area.

- Made in the USA
- Mar- and fingerprint-resistant ABS thermoplastic construction promises strength, durability and quick cleaning
- Simple, easy-to-use design
- High-capacity design requires less refills
- Three vertical lid columns add versatility and increased capacity
- Straw holder at the bottom adds convenience and provides maximum service in a small footprint
- Accommodates both hot and cold drink lids in a variety of designs
- Mounts flush with your food counter — mounting screws included

Flush-mount napkin dispenser in black

Designed to offer convenience to both you and your guests, the flush-mount napkin dispenser by Vollrath makes sure napkins are always accessible. The flush-mount design streamlines your service area and saves valuable space, creating a clean and tidy appearance. The unique design can be mounted vertically or horizontally in a counter or a cabinet for impressive versatility, and the positive locking features ensures easy loading while preventing bulk dispensing.

Made in the USA

Impact-resistant molded thermoplastic construction promises strength and durability

Spring-loaded design for continuous dispensing

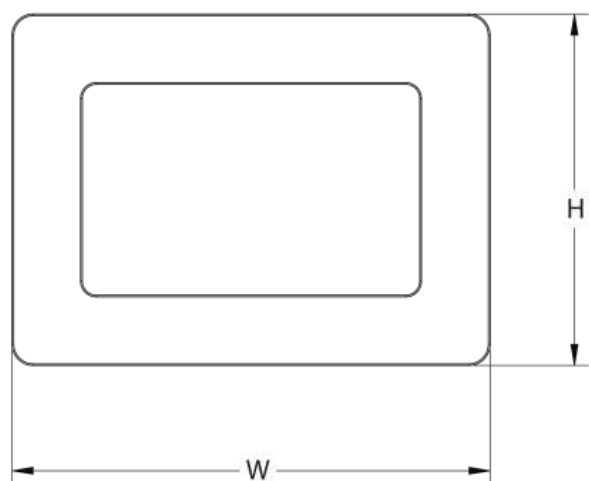

Positive locking feature ensures easy loading and prevents bulk dispensing

Flush-mount design creates a streamlined appearance and saves space

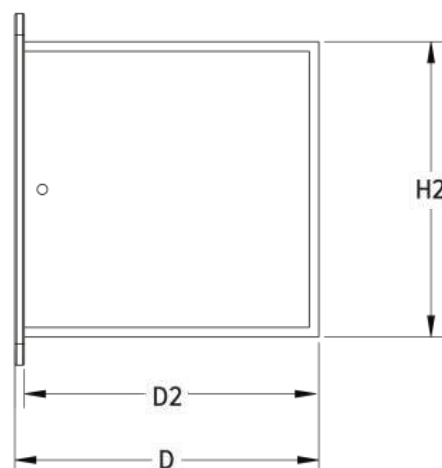

Can be mounted vertically or horizontally in your counter — mounting screws included

Fits folded napkins with dimensions of 5 by 6 ½ inches

Three-compartment vertical countertop flatware organizer with removable black perforated cylinders

The countertop flatware organizer by Vollrath is a convenient storage solution. The ABS plastic and smoked-acrylic construction is equally sleek and durable, promising years of use. Removable black perforated cylinders (Vollrath® item number 52633) keep your flatware sorted and separate and can also be used with prepackaged condiments for exceptional

versatility. The vertical step design saves valuable counter space, and the slanted openings offer a clear view of the items while preventing them from falling out, making self-service easy and more sanitary.

Vertical step design maximizes space

Durable ABS plastic and smoked-acrylic exterior promise years of use

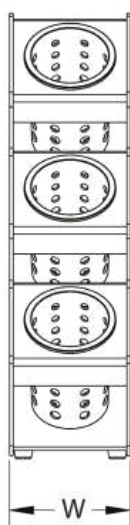

Removable black perforated cylinders (Vollrath item number 52633) for additional convenience

Keeps flatware, or prepackaged condiments, organized and within reach

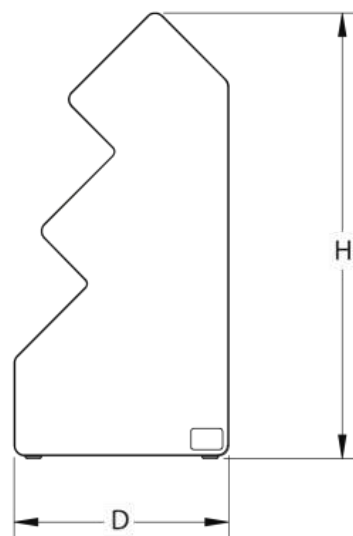

Slanted design offers visibility, prevents items from falling out and saves valuable counter space

Countertop dispenser 3 x 2 ABS cabinet with three INC-80 adjustable gasket cup dispensers, three T-lid holders and one wrapped-straw holder in black

The countertop 3 x 2 dispenser cabinet for cups, lids and straws by Vollrath is the compact solution to your drink station needs. The narrow tower optimizes your counter space while fitting and storing three stacks of cups and lids, and a straw pocket at the bottom fits a large amount of straws and keeps all drink supplies together for exceptional convenience. The simple design allows for easy access while reducing waste, which both you and your customers will appreciate.

T-style lid holder accommodates lids up to 5 ¼ inches in diameter and prevents lids from falling out

Fits 12- to 44-ounce paper, plastic or foam cups, with a lip diameter of 2 ½ to 4 ¾ inches, for a variety of service options

Durable ABS plastic promises years of service

Straw pocket holds wrapped straws and provides easy access

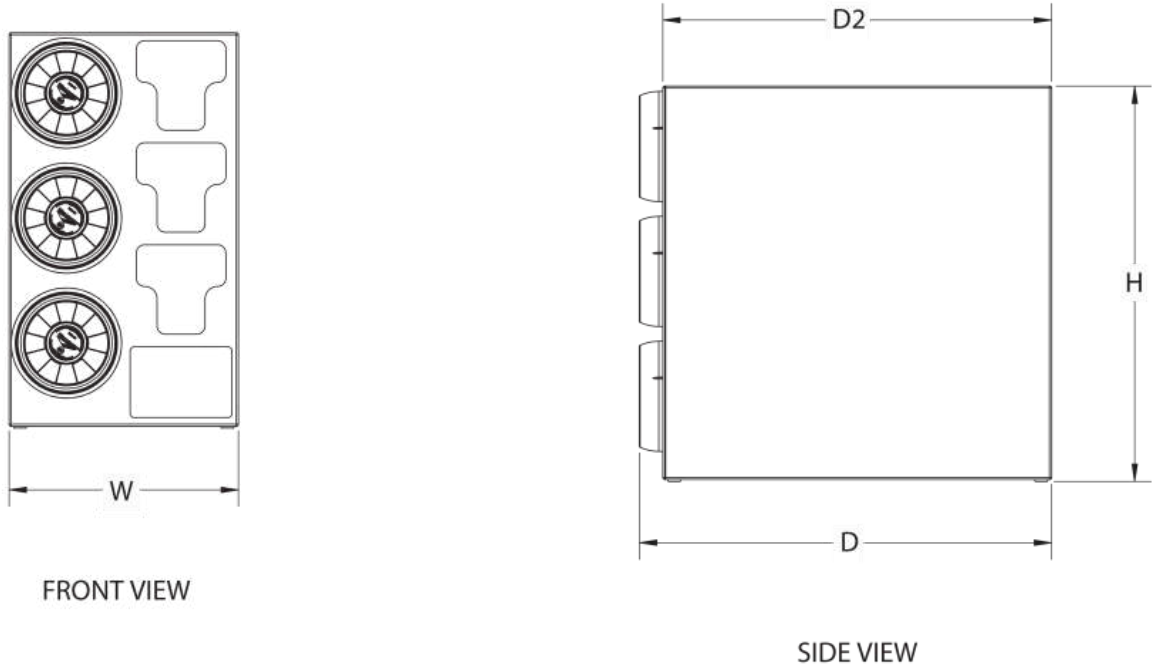

Vertical design allows for high capacity without wasting space

Made in the USA

Please note this is a made-to-order item. These items require additional time for fulfillment. Made-to-order items cannot be changed, canceled or returned and may be subject to a minimum-order quantity. Contact your Vollrath sales representative for details.

23-inch-deep in-counter adjustable gasket cup dispenser in black

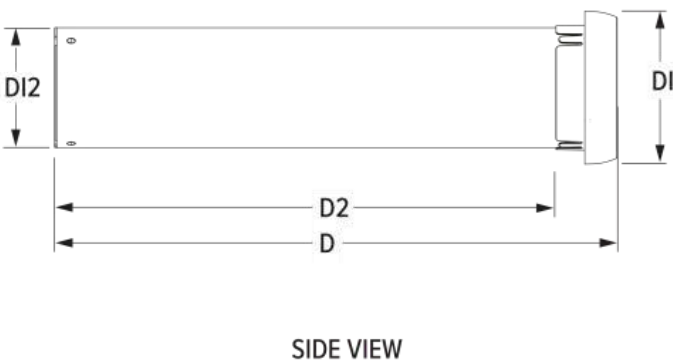

The Vollrath® 23-inch-deep in-counter adjustable gasket cup dispenser includes four gaskets to accommodate 12- to 44-ounce paper, plastic or foam cups, with a lip diameter of 2¼-inches to 4¾-inches providing you with endless possibilities. It easily fits in a multidispensing cabinet or can be installed in-counter to save valuable space. The silicone gaskets are easy to change and seal out moisture to maintain sanitation. This cup dispenser disassembles without any tools, meaning cleaning is quick and easy.

Four interchangeable gaskets accommodate 12- to 44-ounce paper, plastic or foam cups with a lip diameter of 2¼-inches to 4¾-inches, providing a variety of service options

Collar and flange made of durable ABS plastic to provide years of service

- Silicone gaskets seal out moisture to keep everything sanitary and easily dispense one cup at a time
- Disassembles without tools for easy cleaning
- Silicone gaskets are NSF-approved and FDA-compliant

Six-compartment countertop condiment and straw organizer

Maintain a clutter-free, streamlined self-service area with the countertop condiment and straw organizer by Vollrath. This versatile organizer is made of mar- and fingerprint-resistant thermoplastic that is incredibly strong and easy to keep clean. The six compartments hold a variety of condiments and a large amount of straws, allowing you to keep all your most popular items in one place and easily accessible. The slanted design offers a clear view of the items while preventing them from falling out, making self-service easy and more sanitary.

Six compartments organize straws and condiments

Accommodates straws up to 10 ¼ inches in length

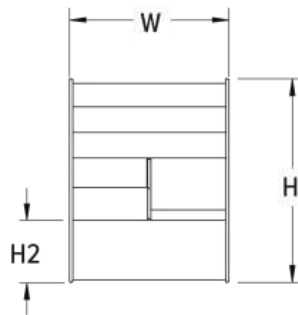

Heavy-duty thermoplastic construction stands up to frequent use

Mar- and fingerprint-resistant plastic reduces cleaning time

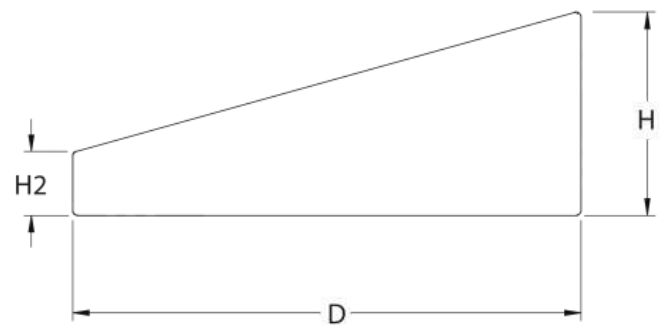

Comes standard in black, but other colors are available

Made in the USA

Moduserv in-counter dispensing system

Compact and customizable, the Moduserv in-counter dispensing system by Vollrath offers a unique solution to your various dispensing needs. From condiments, lids, straws, stir sticks, waxed paper and more, this in-counter dispenser allows you to offer your guests a variety of popular items without taking up any counter space. Thanks to the versatile design, durable ABS thermoplastic construction and easy installation, this dispenser system promises years of convenient, dependable service.

Dispenses condiments, lids, straws, stir sticks, waxed tissue, napkins and bags

Durable thermoplastic construction promises years of use

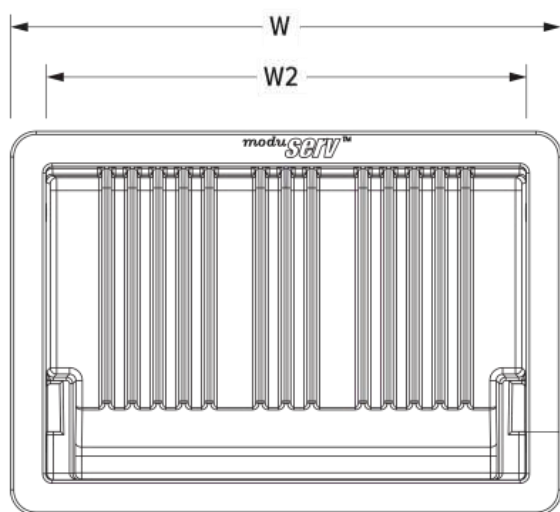

Mar- and fingerprint-resistant plastic
reduces cleaning time

Clear faceplate secures components in
place and is removed easily for
cleaning

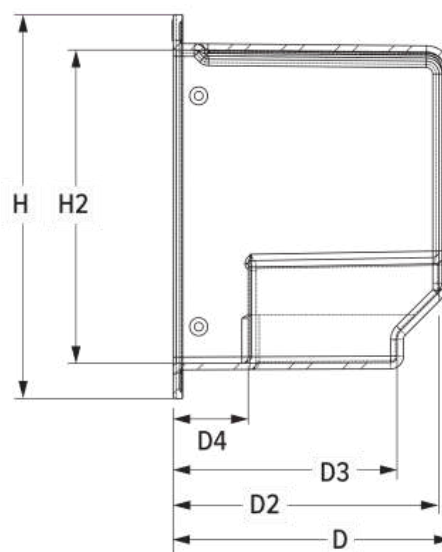

Compact design saves valuable space

Easy, in-counter installation

Small trash receptacle door

The trash receptacle door by Vollrath is an easy, effective way to communicate with your guests and maintain sanitation and cleanliness in your establishment. This durable plastic door mounts flush to the counter to save valuable space, while a strong spring firmly closes the door when not in use to create a clean appearance. The high-quality material and thoughtful design make these doors a long-lasting choice for any establishment.

Made in the USA

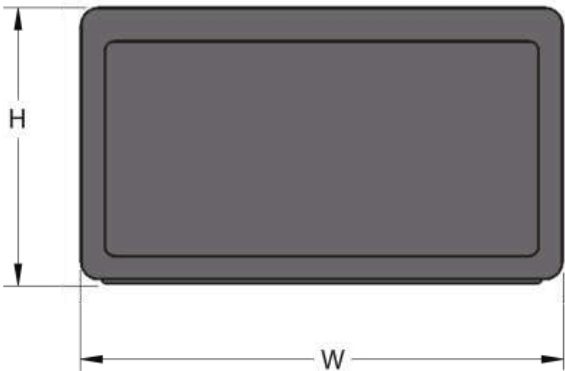

Durable ABS plastic promises years of service

Strong spring keeps door closed when not in use for a clean look

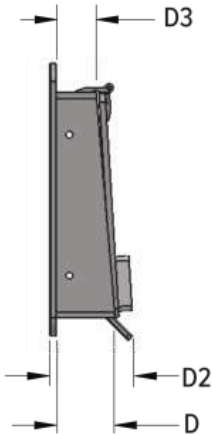

High-quality printed image clearly communicates purpose

Flush-mounted design creates a streamlined appearance

Stainless Steel Gravity-Fed Pull-Down Adjustable Cup Dispenser for 2 ¼- to 2 ⅞-inch Diameter Cups

This stainless steel gravity-fed pull-down adjustable cup dispenser offers a convenient and hygienic way to store and dispense cups ranging from 2 ¼ to 2 ⅞ inches in diameter. With its durable stainless steel construction, this dispenser is built to withstand the demands of busy environments, ensuring long-lasting performance. The adjustable design allows it to accommodate various cup sizes, providing flexibility for different needs. Its gravity-fed

mechanism ensures easy access, while the pull-down feature ensures one-at-a-time dispensing, reducing waste and keeping cups organized. Ideal for cafeterias, break rooms, and food service areas.

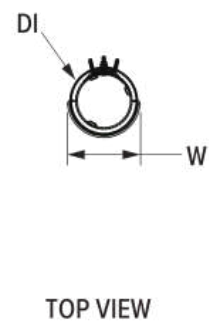

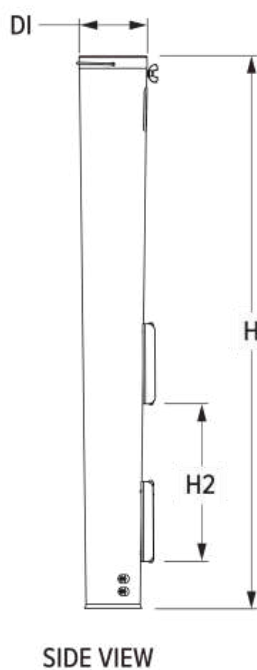

Accommodates cups from 2 ¼ to 2 ⅞ inches in diameter

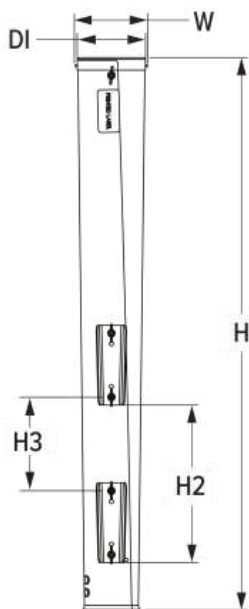

Stainless steel construction is durable and long-lasting

Dispenses paper, plastic or foam cups

Mounting hardware included

Replacement straw holder for horizontal lid organizer

Provide quick, easy access to straws in your beverage service area with this replacement straw holder by Vollrath. Designed for your horizontal lid organizer (Vollrath® item number CTLX, sold separately), this straw holder conveniently attaches to the side of the unit. It features a large capacity, requiring less frequent refills, and the durable construction lasts for years. When you pair this straw holder with your horizontal lid organizer, you'll ensure straws are always within reach.

Stainless steel construction is durable and long-lasting

Holds a large quantity of straws, reducing the number of refills required

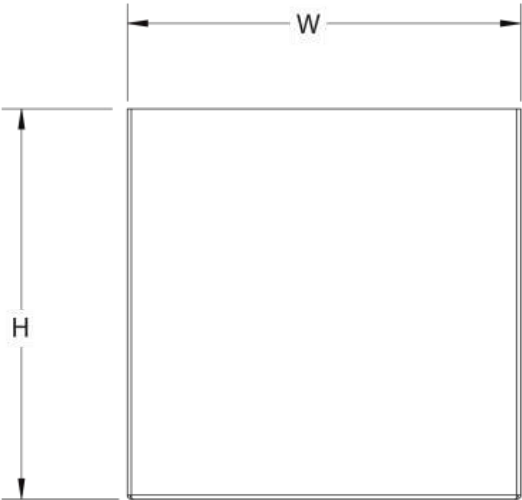

Designed for your horizontal lid organizer (Vollrath item number CTLX, sold separately)

Radius corners allow for easy cleaning

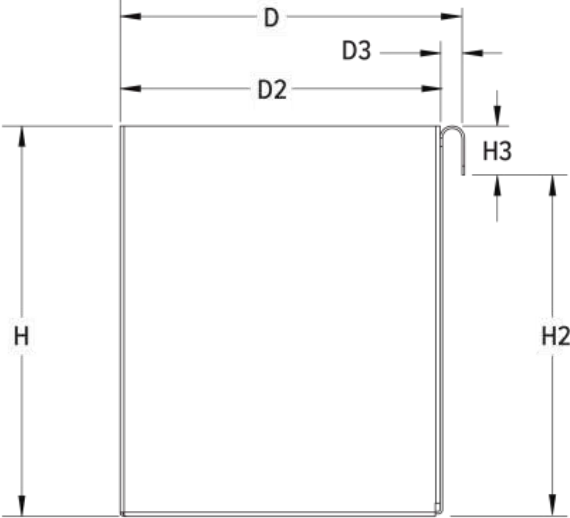

Rubber feet prevent unwanted movement

Three-compartment vertical countertop lid holder

Compact and convenient, the vertical countertop lid holder by Vollrath fits perfectly in your drink area. Only 6 inches wide, this lid holder saves space while storing and organizing a large amount of lids. The vertical step design offers a clear view of the items while preventing them from falling out, making self-service easy and more sanitary. And, with a maximum lid diameter of 4 $\frac{3}{4}$ inches, you can provide access to popular lid sizes without sacrificing space.

Accommodates lids up to 4 $\frac{3}{4}$ inches in diameter

Narrow 6-inch width and vertical step design save valuable space

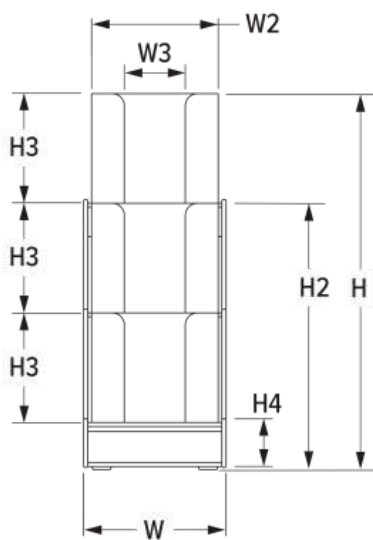

Heavy-gauge cast-acrylic body provides years of use

Radius corners allow for easy cleaning

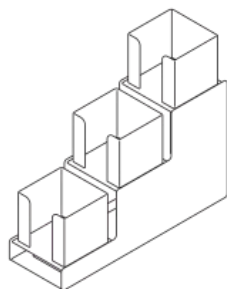

Rubber feet prevent unwanted movement

Made in the USA

Four-compartment vertical countertop lid holder

Compact and convenient, the vertical countertop lid holder by Vollrath fits perfectly in your drink area. Only 6 inches wide, this lid holder saves space while storing and organizing a large amount of lids. The vertical step design offers a clear view of the items while preventing them from falling out, making self-service easy and more sanitary. And, with a maximum lid diameter of 4 $\frac{3}{4}$ inches, you can provide access to popular lid sizes without sacrificing space.

Accommodates lids up to 4 ¾ inches in diameter

Narrow 6-inch width and vertical step design save valuable space

Heavy-gauge cast-acrylic body provides years of use

Vertical design maximizes counter space

T-shape design ensures easy access for convenient self-service and quick refilling
