CUSTOM PROJECTS FOR SMALLWARES PRODUCT

From scooping to straining, serving, portioning, and more, your smallwares help you serve up perfection. But, unique menu offerings require unique tools, and sometimes the standard equipment just doesn't get the job done. If your kitchen staff is struggling to realize your vision, or they're using up too much valuable time in the process, it may be time for a custom solution.

PROJECT GALLERY

Perforated Utensil Project

In need of an efficient solution for draining and portioning taco toppings, a renowned Mexican food chain partnered with Vollrath. Our custom-engineered utensils with optimized features now enhance their kitchen operation.

Hashbrown Ring Project

A family restaurant was confronted with the need for consistent portioning and presentation of their popular breakfast dish, hashbrowns. Together, they devised a tailored solution that simplified the cooking process and guaranteed outstanding results.

Laser Etched Pan Project

Confronted with a critical food safety challenge, a thriving chicken chain partnered with us in search of a tailored solution. Vollrath was able to revolutionize the restaurant's kitchen operations, ensuring the highest food safety standards.

Glazing Bowl Project

Facing the need for a more efficient way to sauce their latest menu addition, a renowned fast-food chain partnered with Vollrath. We found a solution that transformed the wing-saucing process into consistent perfection.

Burger Press Project

Without the fat and grease of traditional burgers, cooking a veggie burger presented a popular burger chain with some unique challenges. Luckily, Vollrath was able to create a custom solution that worked like a charm.

Flat Bottom Spoodle® Utensil Project

A standard spoon wasn't keeping up with the sauce-spreading in this well-known pizza restaurant. With the help of Vollrath, their pizza making operations were enhanced with this custom sauce-spreading tool.

Meatloaf Lifter Project

Baking, draining, and serving meatloaf, a signature menu item, was proving difficult for one family restaurant chain. But, once we designed and created a custom, two-part solution, they were able to bake, drain, lift, slice, and serve with ease.

Beef Portioner Project

A famous Mexican restaurant chain needed to improve efficiency and realized their beef tacos were slowing them down. After working with Vollrath, they had a custom solution that saved time and improved portion control: a win-win.

CUSTOM PROJECTS FOR COUNTERTOP EQUIPMENT

Few items in your kitchen are as essential as your countertop equipment, so selecting the best products for your needs is a big decision. We offer a wide selection of high-quality standard countertop equipment, but sometimes you just need something that's made for you. If that's the case, we'll happily deliver a custom, one-of-a-kind solution that offers an incomparable level of performance, a sleek appearance, and an exceptional user experience.

PROJECT GALLERY

Half-Size Warmer Project

Struggling with the preparation of their signature baked potatoes, a well-known fast-food chain sought Vollrath's expertise. The result was a custom solution that transformed their baked potato operations, making it a breeze to prepare and serve these popular menu items.

Fruit Slicer Project

A prominent hotel chain was in search of an efficient method of slicing large quantities of fruit. Enlisting our help, Vollrath developed a specialized product that increased efficiency, sanitation, and accuracy in their fruit-slicing efforts.

InstaBloom Project

A popular dining chain was seeking a time-saving alternative to prepare their signature blooming onions. Turning to Vollrath, they created this innovative product that consistently and efficiently produced delightful results.

Induction Cooking Kit Project

A popular hotel chain wanted to provide their guests with cooking equipment, without the cost and hassle of adding appliances to every room. When they struggled to find what they were looking for, they turned to Vollrath for a custom solution.

Branded Soup Warmer Project

A food manufacturing company needed a branded soup warmer that pleased their retail partners, attracted customers with eye-catching branding, and ensured their soup maintained perfect serving temperatures, which we were happy to deliver.
